**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

A soul, passionate for God and willing to surrender to Him with all its heart, prayed and sang, every day, offering Him its life, its love, every space of its being. And one day, among deviations and offerings, it said to the Lord: *"Lord, I surrender my life to You, my heart and eternity, to always be within You. I surrender all that I am, and I would spend eternity at Your Feet, in prayer, because I only aspire to always be within You."*

And looking at it with love, the Lord answered: *"Little soul, with sincerity, you aspire to surrender yourself, so surrender yourself then, in every moment of your life, surrender to Me your being, not only in prayer, but also in every act and thought of your day."*

*Surrender yourself to Me serving your neighbor, saying yes to Me tirelessly, in the eternal overcoming of yourself. Surrender yourself to Me in silence, renouncing to give your opinion in order to welcome the wisdom and advice of your neighbor.*

*Surrender yourself to Me allowing others to grow and find their place in My Plan, while I grow within you. Surrender yourself to Me renouncing your wills and living in obedience and resignation, that which I thought of for you. Surrender yourself to Me with pure thoughts, not judging, criticizing or attacking your fellow beings with your mind and your heart.*

*Surrender yourself to Me in an effort to love your neighbor and to always set an example of a patient and kind heart. Surrender yourself to Me with sincerity, with life, with transformation, with desert or with joy, with suffering or while rejoicing. Surrender yourself to Me at every moment, so that you will know that I live within you, because you opened the door for Me, not only of your heart, but of your whole being."*

May this dialogue with God teaches you, children, that the surrender to the Creator must be at every moment and in everything in life; the surrender is full, complete and unconditional. This way, you will learn to be within God and allow Him to be within each one of you.

You have My blessing for this.
