DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

XII - The Law Its Celestial Love

A soul, that feared the Justice of God, constantly prayed and cried out for Mercy and, one day, feeling that the cycle of this Justice had come to the world, questioned the Lord, saying: "Lord, You are the God of Love, of Grace and Mercy, capable of giving Yourself on the Cross for the salvation of the world, so explain to me, what is justice and how can a God of Love act with justice upon His children?"

And looking at this soul peacefully, the Lord responded: "Beloved soul, that ignores the true meaning of My Divine Justice, the Justice of My Heart is a Law permeated by as much of a great love as Divine Mercy. While Mercy elevates those who are blind and grants the best of My Kingdom, even to the most ignorant, My Justice first washes their eyes, opens them and then allows souls to be aware of all that which I have already given them.

After pouring out Mercy upon hearts and seeing them still submerged in indifference, ingratitude and unconsciousness, My Spirit pours out Justice upon them. And Justice is a ray of Love from My Heart that shakes souls and overthrows their most ingrained illusions so that they may thus realize the truth and repent.

What causes suffering in souls is not My Justice but rather their own ignorance, because they realize that they were standing on foundations of sand, when I so often have offered them the rock of My Heart. Justice, little soul, is a part of My Love, so that none of My children may remain in the world without awakening and perceiving what they really are and which path they must tread.

Therefore, in the face of Justice, do not suffer, but simply pray so that this new opportunity, which comes through the law of Justice may not also pass by ignorant souls in vain, and may they make of this divine correction the first step toward the straightening of their paths."

May this dialogue teach you, children, how to love God, His Mercy and His Justice, and to understand that the action of the laws is just and filled with a celestial love for souls.

You have My blessing for this.
