DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

In the ocean of My Mercy, the deepest wounds are healed through the Spirit in all the consciousnesses that awaken to the devotion for My Sacred Heart.

In the fountain of My Graces, the souls find always the joy to be able to renew themselves and in this way liberate themselves from the past.

All of those who venerate My Merciful Heart and invoke the power of My Blood and of My Water, are renewed from the most sublime part of their beings and these wonders poured by My Sacerdotal Consciousness touch even your material life.

In the precious hour of three o'clock in the afternoon the hearts of all the beings of the world, spiritually are contemplated in Mercy by My paternal Vision and by the effect of the Chaplet of the Divine Mercy; in this way My Heart of Love pours Its Pity over those who are condemning themselves day by day to the underworlds of hell.

In this time of great changes for the interior of many souls, My inexhaustible Ocean crosses the deepest thresholds of hell; so that in this way someday, under the powerful protection of the Celestial Armies, My Heart may liberate and obtain the victory of the Kingdom of God over obscurity, and all evil may be dissolved from the heart of the proud and of the vain.

The Infinite Love, one time reached by My Heart on the Cross, has awakened the Glory over the death towards which humanity was heading, the death of the spirit of all of humanity. It was in this way that God sent from Heaven one part of His Great Consciousness, the First Son was born, out of love He liberated the world from sin, and now in humility serves God eternally, out of love for His Brothers and Sisters of the Earth.

And one day, in the same way that He elevated Himself, He will appear among the clouds and a great Merciful Sun will shine in the essence of all the hearts, those that will be able to recognize the path of return to the House of the Celestial Father, and the Divine Mercy will finish pouring itself over the world, so that it may reach redemption.

Under the Light of the Father, be blessed.

Thank you for guarding My words in the heart!

Christ Jesus.
