**MESSAGE FOR THE SPECIAL APPARITION IN THE MARIAN CENTER OF FIGUEIRA,
TRANSMITTED BY MARY, QUEEN OF LOVE TO THE VISIONARY FRIAR ELÍAS**

Dear children:

I know that in this world there are true souls who love My Immaculate Heart, but also there are souls that separate My presence from their lives and from their hearts.

For this, I will raise, one by one, the essences that have fallen and I will lift to the Heights the shield of redemption. On the horizon will be seen the Star of Peace and all beings will live in this Peace for the centuries that are coming.

No one will remain in this world without knowing My Immaculate Face and in this way I will pour My Graces in the hearts that cry out for a spiritual intercession. With My flocks, with the flocks of My Son, I will watch in prayer for those consciousnesses that still have not chosen Me.

I will make them feel the greatness of My Maternal Love and in this way I will bring down the illusion of the hearts that have become hardened, because in My arms I will gather those that have suffered unjustly so much. To all of them, I will bring them into the presence of the Celestial Father and He, in His Glory and Love, will be who will free them from the evil of the past.

Evil will no longer live amongst the hearts of My children, because My sword of Love and Divine Justice will cut the bonds that have tied the heart of humanity to sin; in this way My Light will be seen from East to West before the great Light of Wisdom and Mercy that will bring the Love of Christ.

The Star of the Morning will light up the new paths of those who have delayed to find Me in prayer, and the devotion of the silent ones will be the great key that will open the Celestial Portal for those who have remained in pain and in loneliness.

Never again will a soul be outraged, because Grace will penetrate into the hearts so that they embrace it with love. The soldiers of prayer will sustain the new times, the ones that rapidly pass through the life of all the beings.

The New Sun King will shine in the heart of all those who have believed in His Powerful Word of redemption and of conversion. The Master Jesus will return in Glory to gather at His Table all who have not communed with His Sacerdotal Spirit and, in this way, the alliance with Eternal Love will be expressed in all those who, from error or pain, have not known the Love of the Son of God.

The Peace for the next time will be so profound that prayer will be the new word manifested for the consciousnesses. No one will fear to see the Master Jesus because through His Wonders and His Word all will recognize Him.

My Maternal Love will open the doors for those who, by their actions, had them closed. The path of the New Humanity will finally shine in the firmament of the universe and the original project of

God will have been accomplished in the heart of all the souls of the world.

For those who pray in faith, the world will be saved from perdition, and at the end of all humanity will awaken from the dream in which it has lived for so long. In this way all will be able to recognize that the only and true love that nourishes life and consciousness comes from God, the Creator Father.

The stars of the humble crown of the Woman Dressed of the Sun will be launched towards the Earth and the Children of the Sun will see the sign that will indicate the great moment. The world will find the peace that it has lost, it will strengthen its faith in the Plan of the Father and it will once again light up the fire of devotion for the Universe of God.

The ones who by injustice have become barefoot will be the ones who by merit will receive the Major Grace, and humanity will harmonize daily life by the presence of the Mercy of the Redeemer.

United to the Immaculate Heart, Grace will be true in the hearts that, by redemption, have worked for the purity of the heart; in this way the Holy Spirit will be poured and the new consciousness will form the New Earth redeemed and forgiven, because the laws and the commandments will reconcile humans with God.

May Love always rejoice you so that Grace awakens devotion in your hearts.

Thank you for answering My call for Peace!

I bless you in redemption and in peace,

Mary, Mother of Love and Queen of Peace.
