**MESSAGE FOR THE SPECIAL APPARITION IN THE MARIAN CENTER OF FIGUEIRA,  
TRANSMITTED BY THE MOST HOLY VIRGIN MARY TO THE VISIONARY SISTER LUCÍA**

My beloved children:

Praised be today and always Our Lord Jesus Christ in your lives.

My children, with deep joy in My Heart I bring between My hands a luminous rosary to be deposited in your hearts, this one that in honor to God will seal the union of your hearts with My Immaculate Heart. In this way, each little prayer that you realize will unite you a little more to Me and, through you many souls will be able to come out of the illusion in which they live.

My beloveds, renew yourselves, renew yourselves all in My Heart. Renew your lives, your plans, your aspirations. Renew your vows toward God, renew your souls, your spirits. Renew your offers, because the doors of Heaven are open, and the Divine Mercy flows as an eternal Fountain of Graces.

With a heart full of joy, renew yourselves, all of yourselves.

This is the moment in which Heaven offers you the New. In this way, abandon, with courage and bravery at the feet of the Lord, the old baggage that you have carried until today.

Allow yourselves to be reborn in My Maternal Heart, so that the Celestial archetypes that the Creator has for His creatures may descend on this day over the Earth, through My presence.

Let go of the old being, the virtues as well as the miseries, because what is born in Heaven is totally unknown to that which lives on Earth, and so that this New Child may arrive, it is necessary to be empty, clean, to offer oneself as a new vessel, a New Humanity.

My children, in these times of Graces incomprehensible to your hearts, the New must be born. The doors of the Universe of the Heart of the Creator are already open. Those who say "yes" to Him may perceive themselves as reborn in Christ with deep joy. And those who have closed their eyes in order to not see that which is presented will miss the old, which will be taken away from them.

Pray much for those who will not perceive the arrival of the Light. Pray for those who do not see the Grace of God in the events of life and who do not know how to feel the greatness of the pain of a delivery that brings the New Child to the world.

Today I say this to you My beloveds, because My special presence over the Earth has a greater reason than celebrating the rebirth of one of My children. Today God wants to make known to all of humanity that the whole world must be reborn.

All the consciousnesses that inhabit this Earth have the opportunity today to take new steps, and have all the help from the Kingdom of the Heavens to leave behind the old, even that which seems extremely pleasant to the eyes of the world.

Open your hearts, as I open My arms, and in this way the infinite Mysteries that lay dormant in Heaven, will be able to descend over the Earth and to show themselves to the hearts of all of humanity.

Guard My words in your little hearts so that soon you may understand that which I say to you today.

And do not forget: renew yourselves, renew yourselves, renew yourselves always.

I thank you for sharing My maternal task, and for answering with love to My Call.

Mary, Mother of the Divine Conception of the Trinity.
