DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Poems to the Immaculate Heart of Mary

Nineteenth Poem

Morning Star,
Aurora of rebirth,
Patroness of all nations,
that, as a people,
we may prepare the Arrival of Christ.

May our feet walk towards
the sacred Temple of the King's Heart
so that, blessed by His Spirit,
we may renew our strength in service and charity
for humanity and for the Kingdoms of Nature.

Dear Celestial Mother,
help us to alleviate the sorrows of humanity.

May Your Love teach us
to always be present, in all needs.

May we learn to take care of and protect our nations
through fervent prayer,
because we know that
You are present in it to help us.

Mary,
help of all Christians,
envelop us with Your Mantle of Light
so that we may dare to follow the path
of the apostles of Christ.

May our redemption be the example
for those who have not yet found Christ.

May our fidelity be the united flame*
with those who do not live in God.

In the void of our beings,
may Your beloved Son find a place

where He can govern and work,
out of love for humanity and for the whole planet.

May our faith help our nations
fulfill the Purpose of God.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace

* United flame is the energy of love and compassion that, from our hearts, we can radiate to others.
