DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Poems to the Immaculate Heart of Mary

Twenty-sixth Poem

Lady of the Stars, Mother of the Higher Universe, lead us to understand, through the heart, the mysteries of our existence so that, in the awakening of our consciousnesses, we may truly collaborate in the redemption of our origins.

May we constantly seek holy humility so that our personalities may humble themselves.

May we aspire to live resignation so that we may transcend our pride.

Empress of the Celestial Universe, make us small so that we may be deserving of Your beloved Son's revelations.

May we forever lose interest in manipulation and human control.

May our consciousnesses be placed at the Feet of the Celestial Father so that we may lovingly learn to ask for forgiveness for all errors committed.

With empty and resigned hearts, Lady of Light, we will learn to allow Christ to enter within us so that His Spirit may renew all things.

Let us come to know, Queen of the Universe, the gifts that You constantly lived in order to be in contact with God.

Banish from our minds all beliefs in power and sovereignty, because we will always be

like small grains in the universe.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
