DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Poems to the Immaculate Heart of Mary

Twenty-ninth Poem

Protector of all souls,
Supreme Hope of all the poor,
Star and Luminary of the end times,
we beg You, at this moment,
that You help us find
the merciful Light of Christ
so that we may be touched by His powerful Rays
and thus be liberated from all chains
that imprison us.

Elevate our beings, Divine Lady of Peace,
so that, little by little,
we may detach ourselves from this material condition,
because we ardently aspire
that, with Your powerful intercession,
we may be taken
to the Spiritual Universe, now and forever.

We want to be before the Thrones of the Eternal Father,
to be able to praise Him and glorify Him,
just as the angels eternally exalt Him.

Give us enough humility to recognize
that, in the total void of our beings,
and, with effort, we will reach the Divine Universe,
even while present on Earth.

Mother, You are the Doorway of Peace.

Let the universes open before Your Presence
so that we may see the immensity
of God's Universe and of all Creation.

We want to commune with this moment.

We hope, one day,
to be in the Arms of the Celestial Father.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
