APPARITION OF THE GLORIFIED CHRIST JESUS AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 82ND MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

Today the whole Universe is attentive to this moment. This is why I ask you to be attentive as well, companions, because while I am here, I am with the world, bringing it a special Grace that will not be tangible, but rather inner, the Grace that will save you and that, in spite of this planetary moment, this Grace will renew you, in spite of what happens, beyond what you go through or in the face of any difficulty. My Grace is unchangeable, eternal and profound in the hearts that open to receive it.

Two thousand years ago, when I incarnated in the world to bring the Word of God to humanity, I came with a Purpose, which the majority already know.

But at that time, there was something that was not said, of which you are a part of today, after having gone through the experience of this world, after having learned about love and forgiveness. And although you still have much more to learn, this is the exact moment in which your consciousnesses are facing a special moment, in which there is no freedom that may falter, in which there is one time, one reality, which is the same one that descended when I was born in the humble manger of Bethlehem.

It is a moment for Christianity to recognize that the Birth, Death and Resurrection of Jesus was an event beyond the material and also the spiritual planes, because that is how it had to be, given the spiritual condition of the planet and the inner condition of humanity.

What really made all this happen? It is clear that it was the Will of God. But there was something beyond that, for the Son of Man to incarnate on Earth and bring the Word of Salvation.

The Sacred Books hold the sacred events of My existence in this world. But Truth is not only in books. Is that a lack of faith?

True knowledge arises from the Supreme Source. The books that this world have are the last to receive this knowledge.

But My Word will be fulfilled within souls when My Words move through you rather than through the books.

You may be very scholarly or intelligent, or believe that you have the greatest knowledge of what I was, but it will not be so. You must recognize yourselves as humble, peace-making and selfless so that your hearts and lives may truly be prepared to receive My Knowledge. Is that false?

In truth, that which lives eternally is the spirit. Is the spirit false?

When the spirit of each one of you rises to embrace greater knowledge, what will be the reason for all this? It is not in science nor in the humankind of the surface nor in the greatest scholar of the

scholars that exists in this world.

Through My Gospel, that at this time is being renewed and expanded with the experience of your redemption and transformation, I have already told you what an expansion of consciousness is really like, and that does not mean ceasing to experience God, because God is All, He is the outer and inner, visible and invisible Supreme Creation.

Do you not believe in this? Is that not the creed of your lives? Is that not what you say and repeat every day: "I believe in God the Father, Almighty Creator of Heaven and of Earth"?

God is not conditioned to one consciousness, God lives through His creatures, otherwise He would not be God. And perchance, can God not be here? What would prevent Him? What would be the reason for it not being so?

Do you understand what I say to you?

Knowledge will never stop nor will it be limited to the human mind, because then it would not be knowledge but rather just words that only pass before you and do not make any sense.

What is true spirituality? How is that spirituality achieved? Only through Christianity?

Who was there before I came into the world? Just the patriarchs and the prophets? What was all that which happened in the East?

Even the Son of God Himself was humble, while still little, to recognize the Kings who visited Him in the grotto of Bethlehem. Were they not spiritual beings? What was their form of contact to know perfectly that the Son of God was going to be born there?

Open your eyes rather than your minds. God speaks to His children, just as He wants and just as He needs, and that does not mean another religion, because I do not come to found another religion in the world. I come to make of the world a true religion that is not in the Scriptures; it is in the action of the love and the forgiveness in hearts. That is where Christ is. Is that not true?

But humankind still wants to suffer in order to learn something. I am sorry for those who do not believe without having seen, because they will regret it, and today, I declare it to the whole world.

I am the same Lord of yesterday and today, but nobody truly knows what happened in My Transfiguration on Mount Tabor.

If you do not want to open your eyes, do not open them; I speak of the eyes of your consciousness.

You will miss an important Grace, but I will not stop, nobody will prevent it, because whoever prevents it or tries to, will go against My Father, and I recommend you not do that.

Just as I spoke to the blind pharisees, today I speak to the pharisees who claim to live My spirituality.

I came out of the sepulcher to show you the truth of My Resurrection, but I will not be able to break your white sepulchers that inside are full of other things.

Will you wait another two thousand years to be able to change? Is that which the world already experiences not enough? What is the reason for not believing in the love that I have been bringing to you for so many years?

If I did not come outside of the Church, this would never have been possible. But God knows how to write and He does so as He needs it, and this you will never understand, because God does not write through words, He writes through the events, the testimonies, the change and the love that people can live, beyond any religion or doctrine.

Will you continue to delay in living true ecumenism?

Do not waste any more time, the world is suffering, occupy your time in service, in prayer and in what is truly necessary for your lives.

Do not contaminate yourselves any more with everything you see or hear.

I will leave proof that I have been here, it is a promise. And when I stop coming, that will happen, because humankind has not yet understood the Will of God.

Will you continue to challenge it? Do not do it anymore!

Love will always triumph.

I know My friends, because I see the fruits that I left in each one of them. Those are the true fruits that I seek, not the fruits of their perversion, their judgment or even their mistreatment.

Everything I have done in these end times have an unknown spiritual reason and I value everything that has happened here, for what I myself can testify to regarding those who persevere in Me.

But everyone will be tested when I stop coming here. That will be the moment that I have so awaited for, in which you will have to testify to what you say you believe in, and live for Me.

And the judgment of the two witnesses will come and the last Scriptures will be fulfilled, just as John had seen in the Apocalypse.

This is not a message of persecution nor of a last era. This is a message that comes from the Heart of the Universe, from the deep Essence of God, in which His Will is conceived and lived.

For this reason, today I have brought all the angels of Heaven, more than one hundred and forty-four legions so that, in light of the Lords of the Law, you may be witnesses of what is happening and has happened here, as part of the merits of My sorrowful Passion.

And I will consummate this testimony through the celebration of the Eucharist, because what I taught two thousand years ago was not only a legacy for the world, it is an obligation of all hearts to live that union with Me, in love and in truth. And that legacy is for those who want to receive it in reverence and humility.

Bring here the incense and the water, to bless this altar.

We stand up.

"Lord God of the Universe, Who gives Life and Grace to Your children, You Who have gestated from the beginning, since before the coming of Your Son to the Earth, this moment for hearts to feel the truth rather than appearances, because Your Power, which is Glory and sovereignty, has descended here, unmistakable and undeniable Power, a Power full of Your Love and Your Truth, of Your Light and Your infinite Mercy.

I wish, Father, that Your Will be fulfilled in those who are not worthy of Your Grace, because the Power and value of My Blood are still eternal, infinite, for all of humanity. And by the Power of My Blood, today Your Will shall be fulfilled here. Amen.

Dispel, o Lord, everything that is against Your Will and omnipotence. Let the unfathomable Power of Your Light and of Your Love descend at this moment, so that Your Love may be within the hearts".

Just as I bless this place, I bless the hearts that listen, open to recognizing My Word, because the wolves are among the sheep. They are the wolves that you would never have imagined, those who have need of My redemption.

We bring the altar.

Water for washing the hands.

I taught you to love through this testimony, delivered to the world for the redemption of its sins and the freeing of souls from their spiritual and inner prison.

After having washed the feet and hands of My apostles, at a moment as solemn as this, I took the bread, raised it up to consummate the sacrifice of the Son of Man, immediately broke it and gave it to My apostles, saying: "Take and eat, for this is My Body, which is given for humankind for the forgiveness of sins."

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

Amen.

I then took the Chalice, raising it up to God to confirm the consummation of the sacrifice of the Son of Man and that He be blessed. I then gave it to the apostles, saying: "Take and drink, for this is the Chalice of My Blood, the Blood of the New Covenant, which will be poured out by your Lord for the remission of sins. Do this always in remembrance of Me. "

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

Amen.

Let us consummate this moment through the transubstantiation of the bread and the wine. And just like the bread and the wine, the Body and Blood of Christ rise again in sacrifice and offering; at this moment, let us elevate our souls, hearts and lives to also consummate the greatness of this testimony of love through the Eucharist.

Thus, united to the Heart of our King, Master and Lord, we pray the prayer that He taught us.

Our Father (in Portuguese).

Our Father (in English).

We declare, at this moment, the Peace and Love of Christ in humanity.

At this moment, the angels are witnesses to the apparition of Our Lord Jesus Christ, in light of the compassionate Gaze of God and of open hearts.

At this moment, the Will of God is fulfilled and the souls that listen live their spiritual Communion with Me.

We unite with all the souls of the world in spiritual Communion with Christ and for Christ.

"Lord, I am not worthy of You entering under my roof, but one word from You and I shall be healed."

We repeat.

Mother and Sister Lucía, please.

Mother Maria del Salvador and Friar Luciano, please.

The Lord is asking us that together and united, we consummate this moment in His Presence.

Your Lord, throughout the ages, in the silence of His Heart, must bear the injustice of humankind, but that feeling, so profound and unknown to you, is dissolved and filled with the love and devotion of true souls, thus, everything is fulfilled.

I bless you and thank you for having prayed with Me on this day.

My promise to come to Africa is in force and I will not give up.

In the name of the Father, the Son and the Holy Spirit. Amen.

At the request of Our Lord Jesus Christ, closing this meeting in the Heart of Our Lord, a last melody will sound, a last song: "By the power of the Blood of Jesus".

Thank you, Lord, for all that You give us.

In this meeting we honor You, Lord.
