**DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS**

Today I pray that the Immaculate Heart of Mary may provide shelter to the lost souls that cannot find meaning within their lives, that are confused and do not know the reason for their existence, that do not know the Love and the Grace of God.

Today I pray that the Immaculate Heart of Mary may take in the fragile souls that struggle to be faithful and give way to the temptations of the world, becoming lost in vices, which yield to chaos and evil.

I pray that the souls that cry out for help see the arms of the ever-Virgin Mother of God reaching out to the world. May you take those firm and delicate hands, which cross the universes and the Heavens, in the face of the Law of Justice, and they pour out Mercy upon the world.

I pray that the Immaculate Heart of Mary may be known, that souls may know how to revere the Love of a Mother that deters the Laws and the Anger of God, and cries out for Her most lost children.

In times of transition and definition, children, I pray that souls understand that the Love of the Virgin Mary goes beyond all human understanding. She takes even the most lost souls by the hand and leads them to the Son, Who leads them to God.

Know how to pray with the Most Holy Mary, not only for peace, but also for forgiveness, for hope, for the salvation of the greatest sinning souls, because it is She, children, Who cries out to the Firstborn to place His attention upon the water that must be transformed into wine; She is Who supports the cross of Her children, Who perseveres beyond sorrow, Who remains standing; it is She Who teaches you to serve in silence, to manifest and perpetuate the Plan of God, even when God seems to be absent. She teaches you to be in the Father, in all circumstances, making of your own lives the doorway to the Kingdom of God.

For this reason, I pray, so that today She not only be honored but, above all, you may live in union with the Immaculate Heart of Mary.

You have My blessing for this.

The Most Chaste Saint Joseph
