SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA TO THE VISIONARY SISTER LUCÍA

I want My voice to be conducted to each space of this world.

I want My message to be diffused as the wind that permeates everything.

I want you to breathe the air of My Mercy, so that My Peace reigns in your lives.

I want My words to be the guiding star of your hearts, the only breath of your souls, the Source of Redemption and Faith for your spirits.

I come in Spirit, in Divine consciousness, to announce that it is near the day in which My feet will touch the Earth and all that live in the world will have knowledge of My Presence.

I hope that today, while I come in Spirit and My Fire transforms your hearts little by little, each one of you can prepare yourselves to receive Me.

Prepare in truth a dwelling place for Me in your hearts. Clean your spirits and cleanse your souls, because today My Mercy touches you and tomorrow My Divine Fire will touch you. This way nothing will be hidden from the eyes of the great Master.

Confess today your hearts with Me, surrender yourselves to the Universal Love that flows from My Divine Essence. I Am the Shepherd for your souls and I aspire to prepare My Flock to cross the portal that will take you to the Infinite.

My Companions must bare their feet, surrendering whatever ties them to the material world. Place before the King of the Universe everything that today you are not able to understand.

Aspire with fervor to be ready so that your eyes meet with My Living Glance and that your hearts at last merge themselves with the Heart of the Master.

Walk tirelessly towards My Mercy. My Arms open for each one that searches for Me, My Heart welcomes the ones that arrive before Me, and I knock tirelessly at the doors of the ones who do not listen to Me.

Come to Me, enter in My Ocean of Redemption and Peace.

I want to conduct you to the Eternal Encounter with My Father, the Creator.

Purify your interior, be capable of looking with sincerity at yourselves and when facing everything you are in virtue and in misery, strip yourselves of what you see and say in reverence: "**Master, I trust in You.**"

I thank you for listening to My Words with the heart and for coming to My Encounter.

Christ Jesus, the Redeemer of souls.
