DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

In this time of definition, may your hearts be turned towards the Heart of God; in this way, you will be telling the Heavens that you aspire to continue to receive the Graces you need so that your lives may be redeemed and sanctified.

In the indispensable union that you can have with My Son, with His Divine Mercy, the Blood and the Water of His Heart will justify many of the errors and the adversities that the world continues to experience due to having distanced itself more and more from God in order to satisfy its human pleasures.

This is the last time in which the Celestial Father will be attentive to the prayers and pleas of His children. This will be the time in which humanity, before what will come, will be able to place their heads, bowed upon the ground, to ask for forgiveness and to experience a true repentance.

I invite you, My children, to keep this in mind. Now the opportunities are unique and they will not be repeated, because they are already the last.

A final Grace will be granted to the world so that many souls may set aside the chaos in which they live and enter the universe of peace.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
