APPARITION OF THE GLORIFIED CHRIST JESUS DURING THE SACRED CALL, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZON DE JESÚS

The pen of God stops, and He stops writing. What will this mean for you, in the face of what the world experiences today?

I Am the Lord of Silence, the Lord of introspection. My Will reaches the ends of the universe, but My Words labor in the hearts that are open to listen.

In the face of this revelation that I brought to you today, part of a secret from your Master and Lord, I ask you to continue praying with Me, just as you pray with My Heavenly Mother, because humankind from the Earth have no knowledge of the true Justice of God, a Justice that cannot be tempted, modified or altered. Only the Grace of the Mother of God can change the events upon the planet and, above all, in the hearts that are in danger through their own actions, because of the immensity of their ignorance, because of ingratitude.

You already know that My time within this place, so sacred to Me, is coming to an end. And today I tell you again that when that happens, you must be witnesses to the Heavenly Father and to humanity, of what you have witnessed in recent times through My coming to this place, which has a reason and purpose, unknown to all, not yet revealed to the world.

This does not mean that the supreme Will of God hides from His children, His creatures, all His mysteries and revelations. But He Himself chooses who needs to know them and have knowledge of them. So it has been throughout the times in the various apparitions of My Celestial Mother.

Even though today you do not know what I have said or know everything that I have revealed, this is not to be a curiosity for anyone, but rather an impulse to reinforce and double prayer for, in this way, Heaven will always hear you. Heaven will be attentive to the voice of your supplications; It always listens to the children of God.

While I am here, I am also with all of humanity, in these last moments of your Master and Lord, much like the last moments shared with the apostles during the Last Supper. We are in a very similar and culminating moment.

This is not sensationalism, this is a truth that comes directly from the Heart of God for you, because the scriptures will continue to be fulfilled, just as they were dictated to the hearts of the prophets and the apostles, and nothing will change them, only your unconditional adherence to the Mother of God, the Queen of Heaven and Earth, to all Her aspirations and wills, which are part of the Will of the Holy Spirit.

Today I can only speak to you through symbols, because you have to meditate on My Words, because My Words hold many keys that will open the doors of your consciousnesses, so that you may be able to be closer to God and to His Will.

Just as I have always done so, today I am fulfilling the Will of My Father so that the veils of consciousness fall from your faces and you may be able to see the truth and reality of these times, knowing that each treasure and spiritual impulse given to you will have to be justified by you, until the last day of your lives.

Thus, before the Heavenly Father, you will give testimony of what you received and of everything that was given to you throughout time and through the years, not only by My merciful Heart, but also by the Mother of God and the Most Chaste Saint Joseph.

Today, more than ever, the essence of Our Sacred Hearts reach the world with the last messages that prepare for the definitive moment of each human being, in these end times.

Heaven and Earth shall pass, but My Words will remain in those who make them count and be recognized in the world, in all peoples, in all nations, in every corner of this planet. Your example and Christification, your sacrifice and surrender to My Heart will come before the long-awaited moment of My Return, because I will only be able to come first through you, through your transformation, surrender and redemption. It is the only thing that I need so that I too can justify to the Father everything that I have done for you.

The Word of God is not wasted. The Word of the Hierarchy will never be invalid. It is autonomous, eternal and it transcends all times, generations and forms.

But only you have been called by My Eternal Father to be witnesses, at the end of times, of all that I have given you and revealed to you.

I am not being dramatic, I am telling you the truth, because the truth will free you from yourselves.

Just as I told My apostles at the Last Supper, many of the revelations that God gave Me for future generations of humanity, you too as beings and as races, as peoples and nations, are at a great pivotal point, you are facing the same moment as the apostles were when each one, in the most crucial and culminating moment, had to give testimony of Me.

Today I am again alone, as I was in the judgment of the Pharisees, waiting in the greatest silence for the adherence and unity of My companions.

The Mother of God, Doorway of wisdom, of discernment and of love, is now present at the request of Her beloved Son, just as Saint Joseph is also present.

At the request of Christ, the visionaries can come here to unite with us at this moment with the Three Sacred Hearts.

We invite those who listen to us through this means of communication, that in the face of this mystery that the Three Sacred Hearts bring us, we may kneel or stand up to revere them.

We thank you.

God is listening to us and contemplating us, and so He does with all of humanity.

After the world day of fasting and prayer, requested by the Holy Father, Pope Francis, Our Three Sacred Hearts have received the supplication of humanity.

I come to ask the world, in the name of the divinity of the Sacred Hearts of Jesus, Mary and Saint Joseph, that all who can, in the next six months, repeat the day of fasting and prayer on the fourteenth day of each month. Thus, I will have more occurrences and testimonies to show the Eternal Father about the efforts of His children for the relief, the healing and the peace of humanity and the planet.

Enter the Ocean of God's Mercy, the doors of your deepest core are open so that, through the merits achieved by your Master and Lord, souls may be forgiven and absolved by the infinite and unfathomable Mercy of God.

This is the time of My apostles. This is the time to give testimony to humanity.

Carry My Words within your hearts, let them not be erased from your memory, may they echo in these times that will come because you will need them as strength to go forward. My Heart will never abandon the merciful.

And thus, with the Three Sacred Hearts, we will celebrate the Eucharist and the spiritual Communion that the souls who are listening at this moment will be able to experience with the Divine Master.

We can bring the altar.

Lord Jesus, make us worthy of living Your Word, but also make us worthy of living this Sacrament so that, as humanity and a planet, we may achieve redemption and eternity. Amen.

The Divinity of Christ is present in this moment of celebration. In honor of the merits achieved by Our Lord Jesus Christ before, during, and after the Last Supper, we offer this bread so that it may be changed into the Body of Christ.

In the evening, before being given up, Jesus took the bread, raised it and thanked the Father so that it would be blessed and transubstantiated. He then broke it and gave it to His apostles, saying: "Take and eat, for this is My Body, which will be given for humankind for the forgiveness of sins."

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.*

Amen.

Then He took the Chalice, and making the same offering and surrender, He raised it, giving thanks to the Father, because His innocent and pure Blood would redeem humanity. It was thus that He gave the Holy Chalice to His apostles, saying: "Take and drink, this is the Chalice of My Blood, the Blood of the New Covenant, which will be poured out by your Redeemer for the remission of faults. Do this in remembrance of Me".

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.*

Amen.

The Body and living Blood of Christ.

In union with the Sacred Hearts of Jesus, of Mary and of Saint Joseph, let us say the prayer that our Lord taught us.

Our Father.

Our Father (we repeat in English).

May the Peace of Christ descend on Earth.

May the Peace of Our Lord be in this place and in all hearts. Amen.

*Most Holy Trinity,
Father, Son, and Holy Spirit,
I adore Thee profoundly. I offer Thee
the Most Precious Body, Blood, Soul, and Divinity of Jesus Christ
present in all the Tabernacles of the Earth,
in reparation for the outrages,
sacrileges, and indifferences by which He is offended.
And by the infinite merits of the Sacred Heart of Jesus
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.*

Amen.

Do not forget everything that I have told you today, because Heaven and Earth will pass, but My Words will remain in the hearts that will make them resonate within.

We say goodbye and send all Our Love and Our Peace to the world so that human awareness may awaken in all hearts. So be it.

In the name of the Father, the Son and the Holy Spirit. Amen.

And now, at the request of Our Lord Jesus Christ, in this very special Trinity, formed by the Three Sacred Hearts, bowed down at the Feet of Our Lord Jesus Christ, Our Divine Lady, the Virgin Mary and the Most Chaste Heart of Saint Joseph, we will offer one last song, so that Christ may continue to resonate within us and thus form His apostles.

We will hear "Todo lo que yo viví". ("Everything I have lived.")
