DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Feel in your heart the confidence of being able to be in God, every day, and the renewal that you can live, beyond the moments and the circumstances.

These times will allow you to place your faith to the test, and that faith will be encouraged by your prayer, your service and your consecration.

Therefore, child, look beyond reality, and you will clearly see an infinite construction of the Wills of God, in this humanity and upon this planet.

I invite you to see beyond the facts or appearances.

I invite you to find the meaning of each moment so that you may grow in wisdom, gratitude and love.

Place your consciousness in the realization of the Purpose of God, that which you will complete and fulfill as a service through the redemption of your life, thus, you will open the doors for Divine Grace to make of your being an instrument and an example of conversion.

Having these principles very clear, your soul will be able to rule, and you will know, at the right time, which path to follow, so that you may always meet My Son who, in His Silence, waits for you so that you may live a deep spiritual communion with the Source of Love and Wisdom.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
