APPARITION OF THE GLORIFIED CHRIST JESUS, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE 83RD MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

Those who in the past announced the coming of the Messiah are those who today announce My Return to the world.

The last Scriptures are being fulfilled and this goes beyond human understanding.

My Celestial Church is preparing to descend in all its glory during the month of August; a final culminating moment for humanity.

Today, the domes of My Church and the high towers of the Sacred Cathedral of God are beginning to be built in this place in order to be able to help the whole world from this Center of Love.

Through your prayers, your souls are consciously preparing to participate in the descent of the Celestial Church, which will come like the New Jerusalem, with the power of all the Heavens, with the glory of the whole universe.

The sacred Celestial Church, in its non-material aspect, will touch the Earth for a few days and, in the inner worlds, it will resonate and call upon the last, who will be self-summoned to be present for My Return.

Israel will again have an opportunity, and that ancient people that walked in the desert will no longer search for the Promised Land, for it is within each one of you, in what you truly are, rather than in what you appear to be.

Today, the first domes of My Celestial Church are built by the angels of the universe, and by the order of the archangels, they also call the souls that will avail themselves of this precious and last impulse that will emerge from My Sacred Heart.

Feel the coming of My Celestial Church and the revelation of its sacred treasures, which are kept in the Ark of the Holy Covenant. They will no longer be distant from souls, rather they will be part of the souls that, throughout the end times, have trusted in My Word and in My Presence.

The Mystical Body of Christ will be strengthened after this final school, which was experienced throughout these last years, in which your consciousnesses were participants in My Graces and in My Mercies.

The Celestial Church, which will descend in the month of August, will administer the sacraments to the last self-summoned. They will be those who, together with you, will build the unity and brotherhood so awaited for by the world. And that impulse will be so strong that the other religions will feel it, even the atheists and the non-believers.

In the descent of My Celestial Church, the last doors of salvation will open and souls will be called to gather and assemble at the center of My Altar, where the Most Holy Trinity will be present, in union with all beings of goodwill.

It is there where the souls will understand what My Church is, the Church that I built two thousand years ago within the hearts of those who believed in the Messiah.

I will place My Stone Foundation upon you and I will release the evil from the darkness, and My Church will be erected through the brave hearts, the peacemakers, all those who unite with Me in truth and in transparency. And while within My Celestial Church, from your souls will emerge your gifts, you will know your talents and you will offer them to Me in light of the Glory of the Father and the Holy Spirit.

The Celestial Church will descend in the month of August and reach all homes throughout the world. Prepare your homes, announce to your families that the Grace of My Celestial Church will pierce your hearts and fill your souls with My last impulses of Love and Redemption.

But some souls are already at the doors of My Church, together with the angels, building the sacred geometric shapes of My Spiritual Church; because everything will be offered, not only the construction of My Church in the heart of humankind, but also the efforts of those who will set out to work, with their hands as a gift, day and night, to build My Church in humanity.

And the archangels will write of this moment, and the offerings of the pure souls, although imperfect, that will be offered at the High Altar of My Heart, where the flame of faith is blazing and eternal.

And thus, the Ark of the Holy Covenant will be placed upon the High Altar of My Celestial Church, and the sacred relics of the Passion of Christ will be able to be in the hands of those who always aspired to have them, to love My sacrifice and My surrender even more, to love each particle of My Blood and of My Water, for the redemption of the planet.

"O sacred Celestial Church, that descends upon the New Jerusalem, may your doors be opened, may the abysses be closed, may the angels with their trumpets call for those who were self-summoned to serve you and adore you through the Celestial Father. May the signs of your presence be heard in the inner worlds, may the impulses of your Grace be poured out like an inexhaustible fount upon those who cry out for relief and for healing.

O sacred Celestial Church, reveal your sacred shapes, your precious symbols, so that souls may recognize that you have always been there, in the universe, waiting for those who aspire to enter into you, to be in adoration and in prayer for the Love of Christ."

Before the last and great moment, humanity will become aware of what I came to do in the world, in this final time.

May the testimonies of your lives continue to be written by the humble Hand of God, so that His Love may multiply in the world and souls may find the peace of belonging to the Kingdom of God.

May your lives be the first pillars for the building of My Celestial Church in the month of August.

May your commitment and fidelity be the great dome that will express the beauty of the art of Creation and, in the end, may your hearts be the great offering of the Altar so that the price of the Blood of Christ, which was poured out in the world, be rectified and recognized by your transformation.

May your Guardian Angels silently follow this moment and guide you to the great meeting with My Celestial Church in the month of August.

Sister Amerisa, Our Lord calls you here.

"Today I want to announce to you, by the merits of your love and your striving for My Sacred Heart, in gratitude for the descent of My Celestial Church to this material plane, for all the moments that you have experienced and I have closely followed from the moment of your consecration, I want to tell you, sweet daughter of Mine, that your mother is with Me in Heaven and that, in the same way as many mothers that silently suffer in this world, she prays for them so that they too may achieve the Grace of the Blessing.

By the merits of the suffering of your mother, she has entered My Celestial Church, and together with the saints, she has been crowned as blessed.

Today I leave this testimony for the world, so that you may know that My Words are real and My Promises are kept in the hearts that strive for Me.

I bless you and thank you, in the name of the Father, the Son and the Holy Spirit. Amen."

Let us celebrate these last moments in union with the Eucharist and the Blood of the Lamb of God that today, once again, will be offered upon the altars of the Celestial Church, so that more souls and more hearts may be redeemed.

Bring the incense and the water here to be blessed.

In this moment and in this instant, in the presence of the Love of Christ and by the victorious merits of His Passion, as an act of thanks, in love and in reverence, let us offer our lives into His Hands as a testimony of our faith in Him. Let us do so now.

Oh My God, I believe, I adore,

I wait for and I love thee,
and I ask pardon
for all those who do not believe,
do not adore, do not wait for and do not love You.
Amen.

(repeated three times in Spanish)

You may bring the altar.

Let us offer this moment so that, through the consecration of these elements, our lives may also be consecrated and deserving of the Mercy of Our Lord.

On the night when Jesus was to be given up, He took the bread, raised it, and gave thanks to the Father for the surrender that He would experience. He gave it so that it would be consecrated as His Divine Body. He then broke it and gave it to His apostles, saying to them: "Take it and eat, for this is My Body, which will be given for humankind for the forgiveness of sins."

We praise You, Lord, and we bless You. Amen. (Repeated three times in Portuguese)

Once the supper was ended, He took the Chalice and raised it to offer to the Father as a sacrifice for humanity, so that it could be transubstantiated into the precious Blood of Christ. He then handed it to His companions, saying to them: "Take it and drink, for this is the Chalice of My Blood, the Blood of the New and Eternal Covenant, which will be poured out by your Lord for the remission of sins. Do this in remembrance of Me."

We praise You, Lord, and we bless You. Amen. (Repeated three times in Portuguese)

The Body and the Blood of Christ.

In union with the Celestial Church of Our Lord Jesus Christ, in union with the angels and the archangels, with the saints and the blessed, and with all beings of goodwill that work for peace and fraternity, we unite in prayer and in supplication, together reciting the prayer that Christ taught us.

Our Father (in Portuguese and in English)

May My Peace descend upon Earth and fill hearts with the Love of God.

"Lord, I am not worthy that you should enter under my roof, but only say the word and I shall be healed. Amen."

Sister Amerisa can come here.

And Our Lord, at this moment, in spiritual communion, unites with all our brothers and sisters of the world. We announce this spiritual communion with three rings of the bell.

*Celestial Father, Who leads us all,
accept our offer of surrender to You.
Guide us through the path of love
so that Your Will may be done.
Amen.
(in Spanish, Portuguese, and English)*

May My Celestial Church, which is being built and is erected within your hearts, be perpetuated for these times, so that you may always find My Peace and the consolation of My Heart.

I bless you and your brothers and sisters under the redeeming Light of My Grace, in the name of the Father, the Son and the Holy Spirit. Amen.

I invite the whole world to sing a simple song that was born in this Marian Center, from a devout soul, to alleviate My Heart and that of My Father; you will sing: "Lord, I who am nothing, surrender to You, so that You may make of me Your Dwelling."

I thank you.
