DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Children,

When the time comes, Knowledge, Truth and the Light of the Universe of God will reveal itself on its own, and there will be no dogma, doctrine or institution that will be able to hide what will emerge within the beings, just like in the heights of the Heavens.

The cosmos within creatures will pulsate, and from this same infinity in Heaven will emerge the signs of a new time, of a new life that reveals and manifests the Kingdom of God, a Kingdom not understood and still unknown to humankind.

When the time comes, the silence of those who persisted will be their greatest instrument to allow the revelation of the truth, because the truth will not emerge from the words of human beings, but rather from their living examples, the signs of Heaven, and the very Voice of God who, after having been in silence, will allow His Word to resound with the power of a thousand trumpets over the world.

For this reason, do not want to convince, do not want to do it yourselves, do not want to transform the world with words, but rather with example, the testimony that speaks for itself. And when humankind becomes silent, the Voice of God will reverberate.

Let His Kingdom, always alive in those who allow for Its expression, be what will reveal the path to the world.

Let these be your constant aspirations: with the example, announce; with the word, pray and proclaim the Grace of God; with your life, express His Kingdom; with your heart, renew His Love.

You have My blessing for this.

The Most Chaste Saint Joseph
