APPARITION OF THE GLORIFIED CHRIST JESUS??, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESUS, FOR THE 83rd MARATHON OF THE DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

The Word became Flesh and dwelled among you, and the Word of the Lord was fulfilled on Earth within the lives of those who are consistent and selfless.

The Incarnate Word became One in the children of God and the Word of the Most High reverberated and will continue to reverberate throughout time, through those who hear the Word of God.

Of the most imperfect, I will do wonders for our Father. I will convert miseries into Mercies, and nothing will be impossible for Me, as it has not been until now.

With this, today I want to tell you, on this afternoon of Mercy and solemnity, that for the merits achieved by your prayers in these last seven years, the Most High God of the Universe, the Lord of Heaven and Earth, Adonai, Emmanuel and Abba, He repays from His Source, for each one of his children, His Peace and universal atonement, amending the mistakes made by all humankind up to the present.

Thus, today I want to tell you that I will never abandon you, because you already know how to enter My Heart, and in My Heart there is only eternity, there is never an end.

Children of My Father, open your hearts even more as you did yesterday, on this afternoon of solemnity and Mercy, in which the Eternal Father was attentive to the voice of your supplications.

After the Celestial Church descends here and for the world, in the month of August, I will continue to come, but this time in a special way. On the third Friday of each month I will give the world the final spiritual and divine impulses that, for a certain amount of time, will erect humanity and prepare it for My Return.

The Eternal Father testifies to this moment through the presence of His children and all of His who pray. And even more, our Mother of Heaven and Earth, the great Empress of the Universe, will accompany My Sacred Heart after the month of August, only on the 13th of each month, in which she will finish carrying out the task that She once began in Fatima.

Celebrate this moment and thank God, because you will never be forsaken.

Saint Joseph will go to Heaven and from there He will continue to bless the world, just as He blessed the Son of God when he was still a child.

The last secrets will be delivered, the last mysteries will be unveiled and humanity will no longer be able to say that it does not know it because, through My Spiritual Government and My Celestial Church, I will give them what they need.

So that, after August, I may return and bring more relief to the world, I will trust and accept your prayers on the 5th and 6th of each month, even though I will not be present here. But you know that I will make use of your prayer work in order to bring My Peace and the force of My Mercy to the world.

I would not want to leave here without first seeing all the pilgrims one last time, those who pray and serve, when time permits. Because My aspiration is to merge your essences with Mine and, at the end of this time, to recreate Creation for the victory of Love and forgiveness.

Your Guardian Angels commit themselves to the Lord of the Universe to guard and watch over this moment.

While I am silent, I contemplate with you the world, hurt and in need of love, Mercy, healing and redemption.

Today I accept the surrender of those who have decided to live this path, for all the hearts and lives of this planet that did not correspond to Me and that have failed Me in recent times.

As I accept these offers, the power of My Blood is poured out upon the unredeemed so that they may once again look up to the Heavens and find the hope and peace that they once lost, and also the signs of My Passion, the five sorrowful wounds from Your Lord, that enlighten the world at this time and pour out the Grace of the Lamb of God upon the children of the Eternal Father, upon those who hear Him, feel Him and love Him.

Today a cycle closes, but a final preparation time begins. Commune of My Words, be filled by My Grace and move forward.

You can surpass Me in love. When will you prove it to me? The value of My Life can be surpassed for your lives. The surrender of your Lord can be surpassed by your surrender.

I do not come to ask you for the impossible, I want you to be part of My Mystical Body so that all My Mercy may descend upon you and the world, and you may purify yourselves within Me in order to achieve redemption.

Today I gather all the force of the Light of the universe, and the hells feel this repercussion because each drop of Blood poured out by your Master today has value and victory in those who have corresponded to it.

Even more souls are waiting to enter My Heavenly Church, this must now be spread to the world. All are called, without exception, to be at the doors of My Celestial Church and enter it in the month of August, in which the great celebration will be established between believers and God.

As I speak to you, I purify you and bring you closer to My Heart. Now let your souls lay their heads on My Chest, right now, do so.

And through this melody, which you listen to at this moment, feel My divine and universal embrace, and how each misery is transformed by the power of My Light and the force of My Love.

Surrender into My Arms, you have the opportunity and, in the void and in the emptiness, find My Peace.

I am who I am, I am the beginning and the end, I am the maximum for your lives.

My Love wants to be throughout the whole world.

Today be anointed by My forgiveness that dissolves your miseries, that forgives your sins, that renews you after each fall, that places you before God to feel the Love of His Heart.

Surrender into My Arms and everything will pass.

My Love merges with your love and a single Love is born, the Living Love of Christ that sanctifies souls and leads them to the Kingdom of God.

Thus, today I wish, in the depths of My Soul and Divinity, that you may commune of Me through the Sacrament of the Altar.

Bring the altar here and remain in My Arms, until I tell you what to do.

Stay in My Arms, feel the beat of My Heart and the triumph of Love through this perpetual Covenant with Me.

The Father is attentive to this moment, just as He is attentive to all the souls of the world that surrender in My Arms at this moment.

May we be worthy of this moment and that in the Arms of our Redeemer our hearts and lives be renewed in Christ, knowing that Love, above all, the one that renews all things, will win.

Today the Father will participate in this consecration. Place at the Feet of the Eternal Father your needs, the true needs that benefit other souls.

Today the Cherubim Angels, Guardian Angels of My children from Africa, are here to bring me the offer of their little hearts, for that wounded people and for the world.

My Love penetrates the core of the deepest human pain, because today you have accepted being in My Arms to feel God.

Let us celebrate.

"Oh, Eternal Father, how great is Your Love, Your Power and Your Mercy, that you are able to invite Your children to surpass Me in Love and in surrender, because a good Master works tirelessly so that His companions will surpass him, and someday be good people in charity and in good, in love and in transparency.

Oh, Eternal Father, so many offerings I have received into My Heart from Your children. So many prayers have I heard throughout the recent years. So much, Father, in the triumph of Your Love and Your Truth, faith and unconditional service have you built in the hearts of Your children. This is what brings Me here today to the world.

Adonai, once again I place at Your Feet that everyone can surpass Me and that the prices of My Blood was not in vain, because it pours out upon the oppressed and fallen.

Today I offer you, Beloved Father, the embrace that I have felt from each soul at this moment, so that You, Our Lord, may give them an opportunity like You have given Your Son, to save the planet.

Receive in Your Kingdom, Eternal Father, the love of Your children, the prayers of Your children, the service of Your children and the daily improvement of Your children to achieve Your Peace and Your Mercy.

And so, before the consecration and offering of this Sacrament, on this afternoon of solemnity and Mercy, the faults are erased, the sins are dissolved, because the triumph of Your Love was fulfilled. Amen".

Today the Cherubim Angels, the Guardian Angels of My children in Africa, will transubstantiate these elements together with their Master, because God shows Himself to the small and humble and hides His Power and His mystery from the proud and selfish. Holy Scripture is fulfilled once again.

On the night when He was to be given in, in spiritual company of My Mother and the holy women, who were praying for Me, I took the bread before My apostles, I raised it to the Father, thanking Him for the sacrifice, so that it would be blessed and transubstantiated into my body. And the spiritual Light of the Creator descended to Earth.

Afterward, I broke it and gave it to My apostles saying: "Take it and eat, because this is My Body, which will be delivered by humanity for the remission of sins.

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen, (in Portuguese).*

And thousands of fallen who were in the depths of the abyss of the Earth, became aware of the moment of their redemption. The stars of the universe drew a sacred geometry for the triumph of Love.

Afterward, I took the Chalice and offered it to the Father, so that the wine would be transubstantiated into My Blood, and the divine Light of God descended. Then, I offered it to My apostles saying: "Take it and drink, because this is the Chalice of My Blood, Blood of the eternal and new Covenant, which will be shed by your Lord for the remission of faults. Do this in remembrance of Me. "

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen, (in Portuguese).*

The Body and Blood of Our Lord Jesus Christ.

Our Father (in Portuguese and English).

May the Peace and Mercy of Christ descend to Earth.

"Lord, I am not worthy that you should enter under my roof, but only say the word, and my soul shall be healed. Amen".

Sister Maria Jerusalem, can you come here, please?

We announce spiritual Communion, with Our Lord Jesus Christ, for all our brothers and sisters throughout the world, by means of three sounds of the bells.

Heavenly Father who leads us all,
Accept our offer of surrender to You.
Guide us through the path of love
for Your Will to be done.
Amen.

When you feel you cannot, be in My Arms.

When the night is too dark, be in My Arms.

When you think you will not succeed, be in My Arms.

When you feel hopelessness, agony or disturbance, be in My Arms.

When you have no inner strength, and only confusion and lamentation, be in My Arms.

When you do not find meaning in life or in your spiritual mission, be in My Arms.

Be in My Arms, be in My Arms, because I come to liberate the afflicted, I come to give Light to the blind, I come to fill the dryness of hearts, I come to transform miseries into the power of My Mercy, because I need you to be able to surpass Me, so that the Plan may be fulfilled.

There is a song that touches My Heart very much, like so many offerings that are given to Me. But this is special, because it reflects the improvement and persistence of My companions in the world. This song is called "Everything I Have Lived". I want you to make this last offer that closes, on this afternoon of solemnity and Mercy, a seven-year cycle of work, effort and hope, with your Master and Lord.

May peace be in you and may you be bearers of My Peace.

I thank you for responding to My call.

In the name of the Father, the Son and the Holy Spirit. Amen.

We will prepare for that song.
