DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear child,

With effort, try not to lose peace, because peace will help you to accept and understand the lessons of life.

Practice peace, so that it may inspire you and teach you the path of meekness.

My Son expressed Peace in the moments of greatest tribulation and abandonment. If He had not done so, perhaps He would not have managed to accomplish the mission that the Father had entrusted to Him.

Peace is everything, from the beginning to the end.

It will let you see the most difficult situations as the most important opportunities for the transcendence and elevation of your being.

Let peace gradually become deeper within you, in the faith that all is for the good and for the inner growth of your consciousness.

In this way, while you every day face new challenges, you will know that there is to be found peace, which will bring you confidence and support in the culminating moments of life.

Today I leave you My Peace again so that, through it, you may take the first step.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
