DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

At all the Marian Centers, through the Reliquary of My Heart, I will be the doorkeeper and the protector, the guardian of the spiritual relics and of the divine gifts that are held within the sacred places, erected in honor of God and for the manifestation of His Plan.

The Reliquary of My Heart will be the protector of all the virtues achieved by souls. It will be the guardian of the evolution of those who said 'yes' to God, and each time that you should contemplate it with love, you will not only be receiving within yourselves that which I once achieved through humility and spiritual emptiness, but also, children, you will be safeguarded by Me, Who before God has received the authority to be your father and guardian in these times of transition.

It is for this reason that, in the face of the difficulties that seem impossible to you to transform, pray with Me, contemplating the Reliquary of My Heart. When the desert is greater than your faith, pray with Me, contemplating the Reliquary of My Heart. When the energies of the world within you seem to battle with your purest principles, pray with Me, contemplating the Reliquary of My Heart.

And so that all the souls of the world may have the chance to be before the Reliquary of My Heart, I ask that every 19th of the month, in a simple way, the Reliquary of My Heart be transmitted live, for one hour, so that all those who want to be before It in silence, may do so. This practice will allow you to find peace and to strengthen all the virtues that you have already achieved with you.

In this time of transition, I will be the guardian of your souls, your father and companion who, in silence, will follow your steps so that you not become lost, but that you may be always in Christ.

It is in this way, children, that I ask that every 19th day, of each month, at 7 pm, your hearts unite in prayer. Especially those who today cannot be at the Marian Centers, so that they may also receive the Graces and the Gifts that emerge from the Reliquary of My Heart for the world.

If you do this simple exercise on the day of the Celebration of the Heart of Saint Joseph, not only for yourselves but also for all the souls of the world, you will be able to intercede with Me for the greatest sinners and for those who are self-condemned, so that those souls may open their eyes and find the light and salvation in Christ.

I wait for you in prayer and I bless you.

The Most Chaste Saint Joseph
