DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Child,

Do not measure your possibilities according to your own strength. Do not look to concretize the Plan of God only with your own hands. Do not think that you are not capable of doing and experiencing this or that thing because you cannot find the possibilities within.

Look at the history of those who accomplished the Will of God and expressed it, manifesting the part that was theirs to do of the Divine Work of the Creator. Was it them on their own who were the builders of that Work?

Your human possibilities and what you know of yourself does not matter much at the moment of concretizing Divine Work. What matters is your capacity to go beyond yourself, of focusing your eyes, your thoughts and your heart on God and saying:

Lord,

*do Your Work within me and through me,
fulfill Your promises, manifest Your Spirit
and make of my empty heart Your dwelling.
I am Yours.*

This, child, should be your prayer in the times that will come.

Do not look at your imperfections, but rather at the Perfection of God. In order not to limit the Divine Work to your possibilities, do not even look to your skills and virtues, but simply be an empty instrument, the dwelling place of the Holy Spirit, always willing to follow paths that are not within your mind, that were not laid out by you, but by God.

Trust that within a heart, empty and willing for the Creator, lies His miracles in action, and you will become a living miracle.

You have My blessing for this.

The Most Chaste Saint Joseph
