DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

The Mineral, Plant and Animal Kingdoms, every day, accept all of your prayers and exercises of service, for each one of them.

Thus, through the love of human beings, they will be able to express themselves and teach humanity that which humanity has lost, such as values and dignity.

The Kingdoms of Nature are masters of being given, of love and of surrender, which the human being must perceive and recognize.

Within the task of each Kingdom lies the healing for humanity. But the Kingdoms expect to be cared for and recognized by humankind so that they may receive the opportunity to continue evolving.

Observe each Kingdom with attention, their beauty and particularity, and in them, you will find true teachings of love and spontaneous self-giving to Creation.

Thus, join the Whole, the universe, the essence and life, and when you pray, pray for the Kingdoms of Nature which, long-suffering and abandoned, are orphans of the Human Kingdom.

Feel within your heart the Kingdoms of Nature and give thanks that they are still here to serve Creation and the planet.

Relieve their traumas, repair their wounds and calm their suffering. May the Kingdoms, through their devotion and beauty, make you find peace.

Thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
