

Christ of Light

In the name of the Christ of Light,
I reveal my aspirations to God,
so that He may ennoble them
and receive them into His hands.

In the name of the Christ of Light,
I offer myself to Eternal Life, to surrender,
to the dissolution of guilt, of fear and sorrows,
so that they may be converted into the Love of Christ.

In the name of the Christ of Light,
I open my heart to receive
the Flame of the Holy Spirit,
so that it may be radiated to other hearts.

In the name of the Christ of Light,
I confess myself before Him
so that He may forgive my actions, my thoughts
and my debts to God.

Amen.
