Christ of Light

In the name of the Christ of Light, I reveal my aspirations to God, so that He may ennoble them and receive them into His hands.

In the name of the Christ of Light, I offer myself to Eternal Life, to surrender, to the dissolution of guilt, of fear and sorrows, so that they may be converted into the Love of Christ.

> In the name of the Christ of Light, I open my heart to receive the Flame of the Holy Spirit, so that it may be radiated to other hearts.

In the name of the Christ of Light, I confess myself before Him so that He may forgive my actions, my thoughts and my debts to God.

Amen.
