MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO MOTHER SHIMANI

Wherever you search for Me, I am always within your heart.

Dear children:

As Mother of the Divine Conception of the Trinity, today I want to lead to the heart of My children the soft breeze that causes the movement of the wings of the Spirit of God, the Holy Spirit, which brings light to the spirit and peace and clarity to the soul.

As Mother of the Divine Conception of the Trinity I bring the Sacred Word of God for this time of definition in which humanity clamors for true answers for its consciousnesses.

As Mother of the Divine Conception of the Trinity I come to reveal to you the mysteries that I learned in the Heavens during all this time, because My children need to comprehend them better today.

As Mother of the Divine Conception of the Trinity I need the souls of My beloved children to know the Lady dressed of the Sun, and to unite themselves to Her by means of the prayer of the heart so that the Word of God may be fulfilled.

As Mother of the Divine Conception of the Trinity I bring unity as a fundamental task for this time, the union between all inhabitants of this Earth, between all peoples and their nations; the union of all races and all religions.

As Mother of the Divine Conception of the Trinity I invite you to integration as an initial step, working in prayer to achieve peace, a path that must be traced through true love and true fraternity.

As Mother of the Divine Conception of the Trinity I offer all My children, children of the Virgin Mary, a task of prayer and service, a task that will be accompanied and guided by My Immaculate Heart, that which lives in all My manifestations and that longs to live in the heart of each one of My children.

As Mother of the Divine Conception of the Trinity I bring the healing that comes from the Heart of God, healing for the spirit, for the soul, for the mind, a healing that this sick humanity needs with urgency.

This Divine Healing that I bring from the Kingdom of the Heavens is available for all those who pray with Me, those who may walk through the Marian Centers of the world, where the Father has asked Me to keep an open door for the Celestial Healing.

There, all pilgrims throughout history have found peace and the great hope of internally encountering Me and My Son, the Redeemer.

Open your hearts, My children, and feel the love that God sends through His Faithful Servant to all the Americas in this time.

Live in the light of My Immaculate Heart and of the Heart of My Son, the Savior.

I wait for you in prayer at the Marian Centers of the world and within My Immaculate Heart.

I love you and I bless you. Thank you for being today with Me.

Mary, Mother of the Divine Conception of the Trinity.
