MESSAGE OF THE BLESSED VIRGIN MARY, TRANSMITTED TO MOTHER SHIMANI

Listen, My beloved children, listen to My Voice, the one that comes from Heaven bringing the proclamation of the Creator.

Open your hearts, prepare your consciousnesses, because the days of Great Glory are approaching.

Listen to the Voice of the Redeemer that day by day enters into your consciousnesses sowing Light, Peace and Celestial Love. Listen to the voice of your Shepherd which announces to His Children the path of Divine Mercy - that which God still has for humanity - before the arrival of the Justice.

It will come as a Celestial Ray that lights up the obscurity of the hearts, that which will put an end to the despair of many and will initiate the fall of the veils of humanity, which has intended to remain asleep despite all the proclamations of the prophets.

The time has come in which the angels of heaven begin to be seen and heard by all of those who permit it, that the Voice of the Master of Masters penetrates into the hearts. My Love is guiding you towards Him so that you may enter a new stage of peace, that which will come after the purification.

Do not fear My little hearts, because there is nothing to fear, I am here with you, I Am your Protective Mother, your consolation in difficulty and trial, I Am the Guardian of all the souls, the one who treads on the obscurity that intends to bring My children to error and helplessness.

We have traversed together part of the path, preparing ourselves to cross the stage that is arriving, this part that will be very serpentine for some, dangerous for others and that will seem impassable to some others.

But from My hand nothing will be impossible. Remember that I Am your Celestial Mother and that if you enter into My Heart, My angels will lift you and your feet will not touch this path that seems uncertain.

My Son is coming to each blessed heart that opens in trust its doors to live the definitive liberation, that which brings it to the reunion with God the Creator.

Listen, My children, Listen to My Voice and the Voice of the Redeemer.

I wait for all of you inside My Heart.

I love you, I love you eternally.

Thank you for being with Me in this hour.

Mary, Queen of Peace and Mother of the World.
