DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Child,

To have a pure life, you must have a pure heart; having the heart pure, you will have a pure mind, and having a pure mind, you will attain pure intentions.

In order for this to happen, you must not forget the spiritual essence that you are, and not look so much at appearances.

The pure heart is attained with an absolute determination to live the Love of God and to not lose sight of that.

Beyond imperfections or even traumas, the pure heart does not lose or dissolve that which it has truly learned.

For this reason, only the pure heart is a noble heart, capable of understanding life and its situation, beyond what is concrete or material.

Thus, the pure heart will be the regent of life and not of the mind. The mind must act as a facilitator of the actions that the heart decides; in this way, your life will be in harmony and not in conflict.

A pure heart is a confident heart, selfless and service-oriented, capable of stepping out of itself to make room and space for the fellow being.

The pure heart does not fear detachment, sacrifice, giving of itself a little more, although it may seemingly believe that it will not manage to do so.

The pure heart recognizes its errors, but does not blame itself for them; it works silently until it is able to transform the deepest aspects of its being.

A pure heart is a peacemaker.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
