DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Love is in an arduous battle with indifference. While only a few hearts are sensitized, the majority become indifferent, and ignorance embraces them.

Love tries to rescue the consciousnesses of those who omit the truth in order to lead them into an awakening of consciousness. On the other hand, indifference is like an imperceptible poison that permeates the human mind and separates it from reality.

It is a struggle without end, but everything will depend on the state of consciousness in which the human being will decide to remain.

In this subtle battle, everything is allowed and, even further, hearts will have to make an inner effort to be sensitized and not become trapped by the indifference that blinds the human consciousness.

This struggle will define the next cycle, whether humanity will evolve or stagnate. All the tools and warnings have been given.

Many thought that Divine Grace would continue nourishing people without them making the slightest effort. But the time and the response are now. Thus, what My Son once said will be fulfilled again: "by their fruits, you will know them."

Let arrogance, pride and the lack of humility be dissolved within your consciousnesses so that, when the great day comes, nothing will surprise you.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
