APPARITION OF THE VIRGIN MARY, ROSE OF PEACE, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

Before the Celestial Church descends, the world will feel moved, because its Earthly forces must be liberated and exorcised, and for Me, My children, it is very important that you may be aware of this, so that this next event of the Celestial Church is not experienced as just another meeting, because it is the last, and the world urgently needs it.

For this reason, on this day, God sends His faithful Servant to gather together His children, to call the apostles of Christ, to prepare you for the moment of the great final time.

That moment and that hour are arriving; there is not much time left, My children. For this reason, My Son has decided, before His Return, to come with His Celestial Church to hold within His Heart as many souls as possible, all souls that are able to enter the Heart of God, even those that do not deserve it, not even through Mercy.

This shows each one of you the powerful immensity of the Love of My Son, an untiring and eternal Love that, time and again, comes to meet with you, to renew you, heal you and redeem you.

But My time with you is also coming to an end. As the months go by, the time among My children is ending, and that will be the great moment, also for you, to experience everything that I have taught you since the beginning of My Apparitions, in My beloved Aurora.

For this reason, what I wish is that on August 8, all the paintings of My Apparitions that took place in Aurora during thirteen consecutive days may be exhibited to the world so that My children may know the symbols that I left for humanity, which are the signs that God determined as necessary to give you for your inner and spiritual preparation for this great moment of the meeting with the Celestial Church of Christ and, above all, My children, for that which will happen after the Spiritual Church of My Son will have passed through here.

It will also be in that moment that you should be witnesses, should declare about everything that has happened here, such as the change that your hearts have experienced after having heard the call of the Mother of God.

During the eight days of the next Sacred Week, the Sacred Celestial Church of My Son will exhibit, at the top of the Hill of Apparitions, the non-material symbol of the Ark of the Holy Covenant.

All those who live from their hearts during the next Sacred Week will be filled by the attributes and the principles of the Arc of the Holy Covenant and, above all, will receive the merits that My Son achieved since His Birth up to His Ascension.

This event is not typical. It means, My children, that it is arriving at a culminating moment of the Earth, in which humanity tries to force a return to normality, and is still not understanding the importance of repentance and penitence.

The Ark of the Holy Covenant, which will shine like a sun on the top of the Hill of Apparitions, will bring the whole world a special Grace that each one of My children needs at this moment in order to be able to overcome the end of times and, above all, to learn to move through it.

I know that many of My children will not understand what this means. For this reason, My wish is that during the Sacred Week, you represent the Ark of the Holy Covenant, just as you have previously done other years, so that humanity may have a visual and spiritual symbol, in order to be able to enter the consciousness of the Sacred Ark.

In a special way, Abraham, Moses and many patriarchs that are in the Heavens today, will accompany this spiritual event.

So that you may see the emergency of these times, My children, God sends that which is the most sacred that He has to the world, the Sacred Treasures of the Ark of the Holy Covenant, so they may be spiritually exhibited, and souls may be in prayer, in vigil and in contact with this sacred Teraphim of God.

On their part, the four Governing Angels of the Ark of the Holy Covenant, that have never descended to the planet, will be present as guardians and watchers of this sacred Teraphim, that will spiritually shine on the Hill for anyone who has faith in it and needs to avail themselves of the attributes and merits achieved by My Son for you on this planet.

This is the demonstration of His most pure Love, of the untiring giving of His eternal Heart, not only present in the Ark of the Holy Covenant, but also in the Sacraments. My children, if you spiritually commune of the Sacraments during the days of the Sacred Week, I assure you that you will receive the Graces you need.

What a great lot the Celestial Church of My Son will do during the first days of August!

He will come with His Power and Glory to remind the world of its filiation with that which is High, so that many more souls are able to place their heads upon the ground and repent, because God does not want Justice in the world, but rather, Mercy.

Those who are open of heart and, in the offering of soul and spirit at the Sacred Celestial Church of My Son, will be contemplated by the Eternal Father, because He is the Sacred Ark Itself, that holds the experiences of Love, Redemption and Light that not only His beloved Son achieved on Earth, but also many of your brothers and sisters who throughout the times have achieved Christification.

Who will become Christified for My Son after all that He will give you and with all He has already given you through these last few years?

Christification is not a way nor a method; it is an experience of love that is experienced in the flesh and that transforms the consciousness, the deepest aspects of the being, until carrying it into redemption.

The sacred Law of Christification will also come during the days of the Sacred Week to the world. Those who place their hearts in this mystery, through the Ark of the Holy Covenant and the Sacraments, will renew their lives, will renew their promises, will reaffirm their mission and will offer themselves again to the Father as a victim of His universal Love.

My time with you is ending and this is something that I really wished not to happen, but you must learn to love the Will of the Father beyond yourselves, just like I learned to love it while I was a young woman, in a humble and simple family, who received the call of God to gestate the Son of the Most High within My womb.

Today the generations, peoples and nations proclaim Me as Blessed. Tomorrow, the world will proclaim the last apostles to be blessed, like the Christs of the New Time, like those who achieved the aspiration of the Heart of My Son, up to the last moment of their lives.

But I will not abandon you, just as I did not abandon the little children in Fatima. You must love, know Heaven as they saw Heaven, many times, because, in Heaven, where our Eternal Father is, you will base your experiences on the Great Source of His Love, and Creation, as it has happened many times, will be again renewed.

Today I pray for the whole world and for each one of My children in the five continents, so that your souls may enter into the powerful Celestial Church, which will open Its doors in the month of August, bringing the Graces and the Mercies of God for humanity.

This evening, at the request of My Son, I leave the pillars founded, the first pillars of His Celestial Church, that will show itself today in Glory, Love, and Mercy to the souls.

In those days of August, it will be the great moment of your spiritual synthesis of all you have received throughout these twelve years.

The Father has allowed Me, in the coming time and for the final time, to be able to appear in Aurora, to close all that once began there, when nothing had yet existed, because there I found hearts willing to follow Me, when I still had nothing, for in fasting and in prayer, experienced during those days with Me in Aurora, you trusted in My Word and, above all, in My Presence, beyond what you said.

For this reason, I will return to Aurora for the final time, because in Aurora will be the end of My task with the world, before My Son returns. And all the Brotherhood of the Heavens will be there on that day, offering the Father all that was built there, not only on a material level, but also on a spiritual level.

Everything that has taken place in Aurora, from its emergence until the present, will be offered to the Father, as justification for the redemption of humanity.

Today the angels have asked Me that you sing a simple song to close, that will close this cycle of the 25th. It is a song that was born in Aurora and invokes the power of its Center of Love for unredeemed souls.

Let us listen to "Kingdom of Love."

I thank you for responding to My call.

My Mantle and My Consciousness reflect the Aurora, the sunrise in the life of each being.

In the name of the Father, the Son and the Holy Spirit. Amen.
