DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE PARK OF THE LAGOON OF GUATAVITA, SESQUILÉ, COLOMBIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My children,

My Spirit is the Holy Ark that gathers you together to unite all of the divine principles of Creation with humanity. I am that Holy Ark that brings the sacred principles of the cosmos so that all of its creatures may benefit from the maximum and divine Presence of God. It is through the Holy Ark of My Spirit that hearts can avail themselves of the universal and celestial source that I offer them in honor of the Heart of the Almighty.

I am that Holy Ark that gathers the chosen ones together.

I am that spiritual presence that transfigures and renews everything it touches through wise love. I am that Ark that holds the principles of purity and Grace; It conceives everything that exists.

I am the sacred Feminine Spirit that unites what is separate within each being.

I am the Mediator and Intercessor between error, sin, mercy and redemption. Who lives through My Spirit lacks nothing; they are always in the living fullness of My Heart.

I am that valued Treasure of the Universe that permeates the consecrated life.

I am the Ark that brings new Graces for those who have lost them.

I am the Star and the Flame of the Most Holy Trinity that conceives new principles.

I am the refuge for souls and the breath for those who are desperate.

I am the Ark of the Holy Covenant, because the three persons of the Holy Trinity live in My heart: the Father Who manifests His Power, the Son Who concretizes and carries it out, and the Holy Spirit that allows all things to be possible.

Happy are they who invoke the power of My Ark; they will soon be freed from themselves, and they will find the path that they have always searched for.

Be firm and Christify your lives in the name of My holy Ark. Who enters the Ark of My Heart will be saved and will abandon the world, tainted by everything, and thus merge into the Holy Covenant of the Father, the Son and the Holy Spirit.

I am the Portal of Peace; I am the Sacred Covenant between souls and God.

I thank you for responding to My call!

Who awakens you to divine life,

Your Mother Mary, Rose of Peace
