DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Dear children,

Today I say goodbye to you because, on this day, after so many apparitions and miracles over the course of time, the daily task of your Heavenly Mother comes to an end. A very important impulse that, time after time, allowed me to become closer to My children.

Today this cycle of daily messages ends, after being with you for twelve years. My Heart will miss coming daily, but My Soul will always be with everyone who, with devotion and faith, responds to My call.

Today, one day before August 8, before such an important cycle for humanity is accomplished, I invite you, My children, to remember the Words of My Son, of Saint Joseph and of your Heavenly Mother, for in them we have left the greatest treasures of the Source of Knowledge for humanity.

Through the reading and the study of the messages of the Sacred Hearts, find the answer and the spiritual meaning of everything we have told you throughout the last twelve years.

May this treasure be recognized by each one of you, so that you can always be aware of it and, in this way, your lives may be the testimony itself of conversion through the instruction of the Sacred Hearts.

Dear children, on this day, let us give thanks, with our hearts, let this gratitude be true within each of you, so that humanity may continue to be blessed.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
