DAILY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The spiritual Light of the Celestial Church is what first descends upon the orbit of the Earth, and the material universe feels the movement of the most powerful divine energy.

The spiritual Light of the Celestial Church penetrates the intermediary spaces of the consciousness of the planet and this resonates within the human consciousness, which begins to feel the time of definition.

The spiritual Light of the Celestial Church reaches the spaces of the most difficult suffering. Souls in agony breathe in the relief they so much search for; peace reaches each one of them.

The spiritual Light of the Celestial Church transmutes the contrary currents that oppose good and love.

The spiritual Light of the Celestial Church has an impact on the human aspects so that they surrender and become sublimated.

The spiritual Light of the Celestial Church prepares the divine descent of the King of the Universe.

The doors of the House of God begin to open; the angels assemble in praise and adoration so that souls may hear the arrival of the Church of the Lord.

The spiritual Light of the Celestial Church gestates the Temple of Devotion within inner worlds that will await the coming of the attributes and the gifts that will institute the last apostles of Christ upon the surface of the Earth.

The spiritual Light of the Celestial Church gives impulse to the awakening of the consciousness.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
