WEEKLY MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE CITY OF SAO JOSE DO RIO PRETO, SAO PAULO, BRAZIL TO THE VISIONARY FRIAR ELÍAS

The roots of arrogance and of imprudence can be pulled from the soil of your interior through the firm determination of living the Greater Law.

Whoever aspires to be divested from themselves forever, may they seek Me.

Whoever may want to become unknown as a new being before the eyes of the world, they may call Me with courage and bravery.

All that you live is a response to all that you do. If you suffer much, the universe wants to teach you something, do not resist any longer. Do not delay any longer the arrival to your cells of the knowledge of transformation. All that you think will have a consequence and all that you feel will receive a great power.

Bare your feet before entering into My Temple, I wish to build My Dwelling to the Celestial Light in impure hearts. If you want to be different from what you live, you can do it. Will, dedication, and effort will be the doors that will open the space for the new destiny.

Do not get discouraged, surrender yourself to Me and soon liberate yourself from what for so long you have been carrying in your heart. Control will make you suffer and resistance will strengthen your own ideas. You know that I Am Divine and Omnipotent, Wise and Loving. Leave behind all that which oppresses your interior.

Build the base for what is coming and for hope. Do not delay the steps for anything related to your expectations. Seek in My Heart the spirit of Humility.

Stand up, those who have fallen. Walk, those who are imprisoned in themselves, because the time has come for the liberation of the entire life.

Empty yourself from all. Surrender all to Me, surrender yourself. Love all, love it with the heart.

The universe wants to be part of you so that you may permit yourself to be part of the universe. I need you to talk to Me and to tell Me with the heart what you need. I Am here to help you. My Mercy will provide everything to you.

Under the Glory of God, be blessed.

Thank you for seeking the Light of My Heart!

Christ Jesus
