DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED during the journey from the city of Santa Maria, Rio Grande do Sul, Brazil, to THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Thank God for each cycle that ends, and give glory to God for each new cycle that begins. Allow a synthesis of everything that you learned in these last years be carried out within you and, with gratitude, create the bases for beginning a new time, a new cycle of service, of learning, of definition, of Grace.

Open yourself, child, to take a new step, every day, to reconfirm your heart and your consciousness on this path, and, above all, so that, besides being a child of God, you may also be His friend and companion, the one upon whom the Creator can rest His Cross, the one in whom the Creator can renew His Love.

Aspire that in this cycle your being be even more open for transformation and truth, to discover and to know your original essence and dissolve the illusions of the human condition.

May this be a cycle to deepen in the desert of your heart, where you will be before yourself to define your heart and where you will be before God to come to know His Will and accept it with love.

This will be a moment of emptiness, of surrender and of solitude, because your heart must mature in order to deal with that which will come. Your consciousness must be firm in truth and in divine knowledge so that, in this way, you may go through the transition of the times with full certainty of the light of the new life to come.

This is the moment to stand before the Father and receive from His Hands the Scroll of His Will in order to fulfill it. It is the moment to grow spiritually and manifest the strength that for so many years the Lord has been building within your heart.

Therefore, go, and enter into the desert of your inner self, live your cycle of definition, live the confirmation of your surrender, live the encounter with the Creator of all things, and prepare your consciousness to carry the cross of the end of times and be the spearhead that opens the cycle of the new life, the new humanity.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
