DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Collect the fruits of the Grace of God within you, trying hard every day to express the virtues and gifts that He gave you.

May His blessings remain not only in your hearts, but may they also be expressed as a way of life, as actions, as the praying word, as a helping and loving word, as a thought that elevates the mind to the Heights.

These are the ways to multiply what God gives you and, therefore, become dignified of a more and more deeper union with the Father.

May your example, child, always speak to the hearts about love and unity with God, because this is the way that the Creator has to reach all His creatures: through the example of transformation and the prayer of those who do listen to Him.

For this reason, allow yourself to become an instrument of God. Each day more, love what He gives you, and aspire that this Love, that comes from the Father, reach all your brothers and sisters.

Go and serve, pray and multiply the Love of God within your life. This is what it is to collect the fruits of His Graces within your heart.

Your Father and Friend,

The Most Chaste Saint Joseph
