DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May your hearts always be available to call upon Mercy.

May your mouths always be available to proclaim Divine Mercy.

May your actions always be ready to be merciful.

May your lives be reflections of the action of Divine Mercy.

May your hearts, with love, always be ready to allow Mercy to expand and reach more souls in this world.

This is My prayer for you today. May everybody love and know Divine Mercy, and thus, be bearers of Divine Mercy for the world.

For this, I bless you, and I keep you in My Heart so that you may grow in humility, strengthen yourselves in prayer and serve the planet through the constant experience of Divine Mercy.

You have my blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
