DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Confess to God in order to reach the path of His Heart, and find the answers full of wisdom that He has for you.

Allow your heart to be transparent before the Father, to find the path to enter into His Truth and His Love.

The Creator wants you to be a partaker of His infinite Wisdom, the knowledge of His sublime Laws, of His celestial Truth, but for this, child, you must begin by opening yourself, by knowing yourself deeply, without layers, without masks, without resistances, to find that which is most hidden within your human consciousness.

It is only through unveiling the illusion that you will know the truth. Being true before God, you will find that which is most pure within you, and it is within your own essence that everything will be revealed to you, because there you will find the path toward God.

Your Father and Friend,

The Most Chaste Saint Joseph
