DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Offer God all suffering, pain and sorrow, so that everything in your life may serve as reparation for all humanity.

Transform the obstacles by means of a leap toward evolution and thank the Father for the opportunities that you receive to repair His Heart.

You, child, are called to be an instrument in the Hands of God and, through the perpetual gratitude of your heart, you are able to make this a reality.

Gratitude is the key so that the Father may take your life into His Hands.

Seek, each day, to love God more, His Will, His path, and I do not say that you will not suffer from anything, but that everything you may suffer will be merits for the Father, so that His Love and His Grace may descend to this world, especially for those who are ungrateful and indifferent before God.

Sincere gratitude is the key to the unity with God, and it is the doorway for what you call in this world, holiness.

Your Father and Friend,

The Most Chaste Saint Joseph
