DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN the Sacred House of Mary, Mãe Paulista, São Paulo, BRAZIL, TO THE VISIONARY SISTER LUCÍA DE JESÚS

Wherever there is a heart that struggles to win itself over, God will be there helping its footsteps.

Wherever there is a heart willing to overcome itself in love, so that a greater love may emerge within itself, God will be there helping its footsteps.

Wherever there is a heart that prays sincerely and begs for the redemption and transformation of its miseries, God will be there helping its footsteps.

The Lord will turn each one of your falls into a greater impulse for the strengthening of your spirit; He will turn your miseries into a greater impulse so that your spirit may live humility and detachment from your skills. The Lord will make your weaknesses the reason for His constant surveillance. And everything that made you weak before, will strengthen you. Everything that made you miserable before, will be converted.

His tests will become a trampoline for human evolution and for the renewal of Divine Creation.

It is enough that the hearts ask for divine assistance in everything. And that they do everything within their reach to sincerely fulfill the Plans of God. Even if they are not perfect and feel like a sea of misery, the Lord will pour everything into the ocean of His Mercy. It is enough to know how to surrender to God.

Your Father and Friend,

Saint Joseph Most Chaste
