SPECIAL MESSAGE OF CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF THE CHILD KING, TERESOPOLIS, BRAZIL TO THE VISIONARY FRIAR ELÍAS

Cling to My Cross and do not tire of sustaining it, My Pure Spirit will give you the strength that you need to be able to follow My Path.

I promise to My valiant soldiers the eternal sacrifice and the donation for others; these are the secure keys to live your sanctification. My Full Redeeming Love today consecrates you, despite the falls and the mistakes; the Lord gathers you around My Most Holy Heart so that you may feel in your lives the hour of My Return.

I promise to My followers deep trials, unreachable challenges and distant goals, but My Divine Mercy, which is perpetual and glorious, will be the engine of life that will propel you to walk by My side despite it all.

For this cycle I come in search of all of those that have said yes to Me despite what has happened, I come in search of those who have given Me the sacred permission to banish from life the pride that blinds and the vanity that condemns, because behind the imperfections of the beings, is found the Infinite Temple of God.

I come to reconstruct that which in this life you have demolished by your human actions; I come to search the essences that have offered themselves to form part of My Sacred Flock.

In this hour of world transition for humanity and for all the hearts, I come to convert you definitively to My Path.

For this, quench your spiritual thirst in My Gospel and that through My Word you may find the path again. The times will not be easy for anyone, but I always, when I see you fall or already fallen to the ground, I will lift you and I will take you by My Hand to the House of My Father.

Rethink for your lives the experience of My Life in your lives. The hour is indicating the accomplishment of the call and the offer that many have made to My Heart. Do not fear suffering, do not fear loneliness, and only when you open the door of truth for Me, I will be in the silence and in your hearts.

My Mercy is directed as a powerful ray over the Community of the New Earth and for having honored and glorified the Immaculate Heart of Mary, the Eternal Father has sent Me to help you through My Trusting Love.

Dear Friends of Mine and My little ones from New Earth: Go ahead! Continue gestating in your hearts the powerful symbol of the Child King; your works and continuous charities give joy to the Heart of God and they repair all the outrages that the great part of the world commits day by day.

The Unfathomable Source of My Divine Mercy will always be your shield against all evil, because today, in joy and in honor of your offer to God, Jesus Christ, the King of kings, also consecrates this community of precious souls to the Sacred Heart of Christ, by saying:

It is All for You, Lord

Father, because of My Passion,
souls have resurrected to Your Divine Spirit.

Father, because of My Life,
sick hearts have been healed.

Father, because of My Resurrection,
humanity has been saved.

Father, because of My Good News,
essences have not remained alone.

Father, because of My Word,
many have again found
the path they had lost.

Father, because of My Sacred Birth,
the children of the world have returned to Your Heart.

Father, because of My Sacrifice,
and for having drunk from Your Precious Chalice,
the wounds of the world have been healed,
evil has been overcome by
the Divine Power of My Love
and the emptiness of many has been
filled by the Faith of My Sacred Heart.

I am Your Shepherd, Lord
and I look after your Flocks.

I am Your greatest expression of Love
and I protect Your Soldiers.

Eternal Father,
Today I consecrate all of Your Children
before the Presence and Glory
of the Celestial Altars
so that Your Infinite Compassion
may be poured out as
a Source of Peace upon all.

Amen.

Under the Sacred Glory of the Father, the Son and of the Holy Spirit, be blessed.

Thank you New Earth for being born in the simple hearts!

Christ Jesus of Mercy.
