APPARITION OF THE GLORIFIED CHRIST JESUS ON THE FIRST DAY OF THE SACRED WEEK, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

At the request of Our Lord, at this moment we are all going to sing one of the Names of God, invoking the descent of the Celestial Church upon the planet. Let us sing the Eloha Shamayim song.

We may all stand up to revere this moment; Our Lord is still coming with the Celestial Church.

In the name of the Father, the Son and the Holy Spirit. Amen.

While the foundations of My Church are established upon the surface of the Earth, great forces of evil are liberated from the planet by the elevation of the fallen stars. Be well received by the Celestial Church of My Father and the essence of all His mysteries of Love.

In the presence of His Sacred Ark, receive the impulses of Light that comes from God through the merciful Heart of His Son.

In the company of the angelic universe, prepare your hearts at this moment, to offer your souls to God and be partakers of this task that your Master and Lord will impart to the world.

The doors of My Church are already open and souls are arriving at the Temple of My Heart.

Souls arrive, just as they are, in the spiritual and material state in which they live. With their imperfections and errors, souls arrive at the center of the Temple of the Celestial Church where the Sacred Ark is found at this moment, which acts as a spiritual source of Light for all the souls that approach it at this moment.

And on one side of the Greater Altar of My Celestial Church, the Virgin Mother is to be found with the holy women and some of the apostles, praying for you at this moment, in the contemplative silence of the prayer that is refracted through the mirror of the heart.

Take your hand to your heart and feel the beat of your heart, My Heart beats just like yours, feeling the pulsation of renewal and of life.

Take the Light of My Church to your heart and let the other hand be in a position of offering. See, at this moment, the arrival of the Celestial Father in His state of One Consciousness. And in the emptiness of your beings, make the surrender that you will give your Redeemer today.

The Celestial Church continues to expand over the world so that all souls, of all nations, peoples and races, may enter My Celestial Church, and may all understand one language, one feeling, which is the language of the heart, unmistakable and perfect.

Now that you are aware of what your souls are living with Me, for all your brothers and sisters on Earth, enter the main corridor of My Celestial Church and approach the Greater Altar, where the Ark of the Holy Covenant is.

Today we are before the moment in which God thought of creating His creatures. On the Altar and through the Ark of the Holy Covenant, feel in your hearts the great moment of Our Creator Father, when He wanted to have beings in likeness to Him so that they could love Him and adore Him.

We stand before the God of Mercy. Feel the Heart of God that, in His silence, implores the world, saying to it:

"Reconcile with Me! I am your Creator, I am the Beginning and I am the End. In My House, there is a special place for each one of My children.

Today, My beloved Son has asked Me to bring you to Me, and you are before Me at this moment.

I am the God of Mercy, of the profound Divine Wisdom, the God of Compassion and Love.

Children, straighten your lives, correct your paths, the end time is approaching and you will have only Me to go through it. I am the God of goodness, the God of acceptance, the unconditional Spirit.

Today, your Eternal Father does not look at your faults, but at the gift that He placed in each one of you, with so much love. When will you offer it to Me? My Son has taught you how to do it.

This is the time of reconciliation, so that peace and healing may come to the world.

I have mobilized the entire universe at this time, because your Father is here, seeing how His children become lost and mistreat each other, how they move away from the Law and the truth.

I did not create you to suffer, but rather that you could have eternal life through the Presence of My Son, your Redeemer. But today I have allowed you to enter My Celestial Church so that you may receive within your inner worlds all the mysteries that this Creation granted you, since before you existed.

You are before the Legacy of the Wisdom of God through the Ark of the Holy Covenant. Thus, the New Jerusalem approaches and the children return to the House of David to resume the path, which they once lost, to the Purpose of My Heart.

I only wish happiness for the world rather than justice, but My children did not understand this. Once I Myself had descended to Earth to teach you about Love through the Word, through each of My Wounds, through the absolute surrender of My Heart.

I am the living, unchangeable and infinite God. My House awaits you one day, but while you are here, learn everything the universe gifts to you, correct your mistakes, purify your faults and healing will be achieved.

I come to give you an atonement that today you will not understand, but that in a short while you will know, because it is your souls that need this Grace of listening to the God of Creation.

The Book of the Life of Creation waits to be rewritten by each one of you, through your experiences of forgiveness and redemption.

On this first day of the arrival of My Church to the hearts of the world, I come together with My Son to celebrate the first and fundamental legacy that Your Redeemer left humanity: The Sacrament of the Eucharist.

Just as your souls are doing at this moment, in the withdrawal into the heart and into the void, prepare yourselves for the offering, so that everything that will take place here, as well as everything that has happened here, may continue to bear its fruits of Mercy and Love in each soul of this humanity.

Place your face upon My Feet.

Oh my God, I believe,

I adore, I wait for and I love Thee;

I ask pardon for those who do not believe,

do not adore, do not wait for and do not love Thee.

Amen.

(three times)

Receive the symbol of the Sacred Geometry of the Ark of the Holy Covenant and carry it to your heart in gratitude and reverence."

Our Lord says that the Word of God reaches the world after two thousand years.

My Father has absolved you.

Our Lord weeps for the non-believers, for those who have abandoned Him and did not have the strength to be supported in Him, and He shows us the Light of His five Wounds, the Light of His Hands, of His Side and of His Feet. And through His Hands He presents us His golden Heart of Light, stronger than hundreds of suns.

By the merits of His Mercy and His sorrowful Passion, He blesses humanity, the five continents and all nations, so that the science of Wisdom illuminates the minds of humankind so that the healing and the reparation of humanity may be established.

In the same way that on this afternoon Our Lord delivers His Heart to us, let us also deliver our hearts to Him.

Let us celebrate.

Just like two thousand years ago, I again give you my Life and all that I am for a simple reason: that you live in My Love and that you know the Truth.

May the Celestial Father receive these elements that will serve as Graces and spiritual anointing for all humanity, recalling the Passion and the Death of Our Lord.

This was how, when Jesus was gathered together with His apostles, He took the bread, raised it up, and offered it to the Father, as an offering of His Sacrifice for humanity. The Father blessed it, and then Our Lord broke it, saying: "Take and eat, for this is My Body that will be given up for humankind for the remission of sins."

We praise You, Lord, and we bless You.

We praise You, Lord, and we bless You.

*We praise You, Lord, and we bless You.
Amen. (in Portuguese)*

He then took the Chalice, and offering it to the Father to be blessed, He gave it with all His Love to His companions, saying: "Take and drink, for this is the Chalice of My Blood, the Blood of the eternal and new Covenant, that will be shed by your Redeemer for the forgiveness of all faults. Do this in remembrance of Me".

*We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
We praise You, Lord, and we bless You.
Amen. (in Portuguese)*

Recognizing the infinite Grace that we receive, in the immensity of the Mercy of God, reaffirming the Passion and Death of Our Lord for the redemption of humanity and for all the Earth, we unite in our hearts and minds with Our Lord Jesus Christ, and before His Celestial Church we repeat the prayer that He taught us, to consummate this consecration.

Our Father (in Portuguese and English).

May the Peace, Love and Mercy of Christ descend to Earth.

"Lord, I am not worthy that You should enter under my roof, but only say the Word and my soul shall be healed." Amen.

The most real work of these days will take place in the inner worlds. It is there where you will find My treasures to be able to avail yourselves of them in this end time.

I thank you for having entered My Celestial Church.

In the name of the Father, the Son and the Holy Spirit. Amen.

We are going to finish this transmission by holding in memory what our souls lived today with the Celestial Father, so that tomorrow, on the second day of the Sacred Week, our souls may be more elevated in order to be filled by the impulses of our Creator Father and His Most Holy Son.

We unite with each of our brothers and sisters of the world, in spiritual communion with Our Lord.

And we give thanks, we always give thanks.

Thank you, Lord, for all that you give us!

In this meeting, we honor You, Lord.

Under the blessing of the Sacred Heart of Jesus, in the name of the Father, the Son and the Holy Spirit. Amen.
