**DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS**

Never forget meekness, it will open the door of patience and consequently, the life of peace.

My meek Heart waits to have fountains of peace and love on Earth, in this way, humanity will be liberated from the constant faults that make it impossible for souls to take steps.

Be forerunners of meekness, be bearers of My Ray of Peace and Love; the world needs to feel free to walk towards the New Promised Land.

Be flames of faith that expand towards hearts that are most in need; I only ask you truly be My Apostles of the New Time, so that My Designs may be born in all hearts.

I wait for you in My Perpetual Heart.

Under the Greater Good of the Father, be blessed.

Thank you for trying to live in inner Peace!

Christ Jesus, the Peacemaker
