DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN EINSIEDELN, SCHWYZ, SWITZERLAND, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Receive from My Heart all the inner strength you need to contemplate the present reality of humanity.

Feel yourself participate in the Commands of the Lord so that you may learn to expand Divine Mercy wherever you go.

Allow me, time and again, to show the way for you to always find the truth and know how to learn to process it within you, according to the reality of these times.

Build within you a fortress that is based on unconditional love, charity without consideration, service without premeditation, and total surrender, in spite of mistakes.

All of this will help you to always be in transformation and not detain the steps toward your Master and Lord.

At this moment, may every reality of the planet and humanity awaken in you the need to give everything for something greater, so that the rest of current humanity may have the Grace to redeem itself and express a true repentance of its sins and offenses before the humble Heart of God.

The opportunity to live in God must always exist for everyone. Trust!

I thank you for keeping My Words in the hearts!

Who blesses you,

Your Master, Christ Jesus
