WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

From distant universes, the Sacred Word of God can be heard. It is emitted from the Heart of the Source, so that it may resonate as a vibration within beings, and they may recover the origins that they once lost.

From distant universes, the Principles of Creation are dictated so that souls may remember in essence what they once were, and the reason and motive for being present in this world to serve and fulfill the blessed promises of the Redeemer.

The Sacred Word does not vibrate in the mind, but rather in the depths of the heart. Its aim is broad and unknown. Its goal is to draw souls toward superior reality. In this way, what is matter will lose power and credibility, because consciousnesses will discover within themselves that they are not only matter, but that the Divine Essence dwells within each sun.

The Sacred Word echoes in those who listen with attention. It solemnly fulfills the creative purpose. Its starting point is to withdraw beings from illusion, and its objective is to awaken consciousnesses through the impulse of knowledge and instruction, because the time has come for stepping into the ranks of the armies of the Plan of the Redeemer, so that the Earth may be prepared for the Return of Christ.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
