DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED during the journey from the Marian Center of Figueira and the city of São Paulo, Brazil, TO THE VISIONARY SISTER LUCÍA DE JESÚS

In your prayers, contemplate the doors of Heaven that open to the Earth, approaching the Kingdom of God to this world. Contemplate in Heaven the different Sources of Grace that exist in the universe and that are spiritually nourished by the constant Love of God for His creatures.

See, with the eyes of your heart, that these Sources open to the Earth and that this spring of love and life is poured out upon those who need it most.

In this world of spiritual thirst, where souls need the Divine Love so much, even if they do not perceive it, child, with your word and with your heart, open the doors to these eternal Sources.

Contemplate the awakening hearts throughout the world, the fallen who are rising; those who were dead are now alive, returning to live spiritually. Contemplate the joy that is being born within those who have lost hope. And, above all, contemplate the Joy of God for being able to reach the hearts of His children.

Make your prayer become a moment to bring life, true life for this planet.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
