DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN PÊRA, ALGARVE, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Return to the land where once your intimate and essential purity was born.

Return to the land that Heaven, all the angels and the Mother of the Sun blessed.

Return to the land where many witnessed that the gifts of love and innocence were the secure path for returning to God.

Return to the earth where the power of My Immaculate Heart reigns for all of Europe and the whole world.

You are before the Sanctuary of the world and the altar of offering of humanity.

You are almost at the doors of the Kingdom of Lys, a Kingdom that reminds you to return to your essential purity, to the essence of the Unity of God.

Return to the house that you once visited, the House of Mary, the Queen of the Rosary.

Be happy My child! you are in the arms of your Heavenly Mother, and from there nobody can take you away, because it is My intention that you accompany me in this sacred and victorious mission within Europe.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
