DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF BAD VÖSLAU, NIEDERÖSTERREICH, AUSTRIA, TO THE VISIONARY FRIAR ELÍAS CORAZÓN DEL SAGRADO CORAZÓN DE JESÚS

Through the devotion of My children and the love of their hearts, for My simple and humble Presence, the Mother of God can make the Grace of God descend from Heaven, attracting It towards the Earth and extending this Grace beyond the souls, the nations and all planetary life.

Therefore, through the devotion of My children, I can work in the world and thus reach the least considered places in order to rescue My children and lead them towards the truth of the heart.

It is so that, for Me, your prayers and your daily union with Me are indispensable, because as a Mother I can stimulate the change of human consciousness, I can motivate and encourage My children to experience their great inner transformation.

For this reason, I wish to lead you every day to the Love of God so that this Love may cause you to love the mysteries of Heaven and turn this planet into a sacred place.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
