DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE CITY OF FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

May the Sun that once shone upon Fatima now shine within the consciousnesses of each being, and may the Miracle of the Sun now take place within humankind, because the Earth and its humanity, the humanity of this time, must be redeemed and transmuted.

May the Miracle of the Sun now take place within each heart so that humanity may repent and ask for forgiveness, so that the thousand years of peace may be established in all who aspire to live in the Light of the Kingdom of God.

May the Miracle of the Sun now take place within the consciousnesses so that their spirits may be touched by the Love of God, and thus the race may participate in that Love, building a new world without hatred and without revenge.

May the Miracle of the Sun now take place within each soul, so that each being on this planet may recognize its affiliation with the Heights and the importance of living His Will.

May the Miracle of the Sun convert the world and elevate its state of consciousness so that it may be a world bearer of peace and justice.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
