DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from Krakow, Poland, to Vienna, AUSTRIA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Sixth Day of the Novena

After having invoked Divine Mercy for all those who cause war and famine in the world, I will lead you, at some moment of your life, directly to the Source of intense purification.

It will be this way that I will be able to revert all that is provoked, such as feelings and agony, to other souls of the world; I will be able to dispel alliances with evil, but everything will happen in due time and when the consciousnesses least expects it.

Taking these souls toward the Source of My Mercy means removing them from the constant errors that promote habits of power and false sovereignty.

Everything is purified and released through the powerful Source of Mercy.

This is why, at this moment, while important nations are the focus of social and human imbalance, continue to ask and beg through Mercy that the Celestial Father have pity on all souls that cause inequality in every way.

Through the work and principle of Mercy, I invite you to join My Heart so that more uncertain doors be closed, not only in human consciousness, but also on the planet.

I thank you for keeping My words in your hearts!

Who blesses you,

Your Master, Christ Jesus
