DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED during the journey from Lisbon, Portugal, to Warsaw, Poland, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

First day of the Novena

Submerging the souls that live in mortal sin within the Source of My divine and unfathomable Mercy, the most serious faults are dissolved like dust in the wind.

In this way, the hearts of the poor sinners receive an inspiration in their interior which awakens in them the importance of living in God.

Thus, the souls still not converted are finally motivated by their guardian angels to find again the path towards God and to put the Commandments of the Lord into practice.

My divine and infinite Mercy does not observe the serious errors, but amends them through the merits achieved by your Master during His sorrowful Passion.

My divine Mercy grants atonement and right after attracts peace to that heart that has repented of living in hatred, wrath or disturbance all the time.

The Divine Rays of My Mercy penetrate into the deepest places of hearts to make known to them the Love of God.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus

May you have a good task in Poland!
