DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN AJUSTREL, FATIMA, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

The sacrifices of your prayers please Me, for there I find a solid foundation for being able to carry out My Work in the world. And further, I am pleased because I know that you can and should live My Message so that your consciousnesses become christified.

The time has come to populate the planet with New Christs that can carry out the designs of your Master and Lord.

That is the reason why your Master absorbs human suffering through His Heart, so that all souls may receive the chance for awakening and receiving the inner healing that they need.

Every time that you remember My Passion and experience it again, such as today, consciously, through that attitude I am able to grant more Graces to souls and more life to hearts.

Continue to offer yourselves as new instruments in the Hands of the Redeemer so that all may be redeemed.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Christ Jesus
